VOL. XLVIII. UPLAND, CALIFORNIA, FRIDAY, OCTOBER 16, 1942. NO. 47.

Council Defers Action On Fertilizer Ordinance

PLAN COMMITTEE TO INVESTIGATE MATTER FULLY

With the proposed new city ordinance designed to remedy the age-old problem of odors arising from the use of "wet" fertilizers up before the city council for its second reading last night, a delegation of growers and fertilizer dealers attended the council session to present its views and to discuss the issues involved.

Following reading of the proposed ordinance, members of the delegation were given opportunity to present their views and to discuss the matter fully with the council.

DIFFICULTIES TOLD

Nelson Gray stated that it was felt the ordinance was being made so stringent that it would work a hardship on growers in the city, and pointed out that during the rainy season, it is difficult to get what is termed normally "dry" garbage under the specified 10 per cent moisture content.

In view of the present national emergency, it is a question whether fertilizers commonly used will be available in adequate amounts, it was declared by Nevin Jamieson, who emphasized the difficulty in securing them from usual South American and domestic sources due to the transportation bottleneck. Due to atmospheric conditions which make it impossible to dry out such materials sufficiently, he said that it appears growers will have to use what they can get or do without.

CURTAILED SUPPLY

However, Mr. Jamieson declared that the ordinance could not go too far in ruling out of use trank, sour garbage which comes from some sources, admitting that it was nauseating. He cited the Los Angeles county ordinance which prohibits the piling or processing of raw garbage in fields in that county for more than 48 hours, with the consequence that it has to be moved continuously and that much of it is imported to this county.

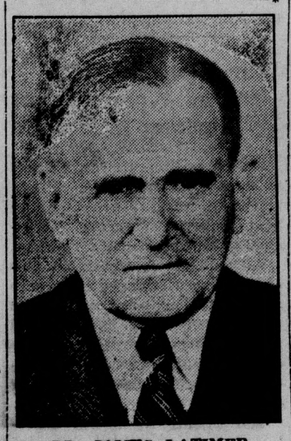

Most nitrogen sources of fertilizer, it was pointed out by Oris Heinauer, have been taken over by the government, and that it is no longer possible to secure sufficient supplies of it from Chile, which in the past has supplied the largest percentage of nitrate to the United States, due to lack of dock facilities and boat bottoms for transportation. Fish meal also has been curtailed as the result of the dropping off in commercial fishing, he said.

Even the importation of animal manures from neighboring states, Mr. Heinauer explained, was difficult as the result of labor and transportation shortages. He said that the demand for hog garbage is growing, and that dealers cannot dry it fast enough to meet the demand.

Due to these difficulties, he re-

Speaks to Lions

DR. JAMES LATIMER
who spent many years in China, told members of the Upland Lions club yesterday that Asia faces future developments.

CHINA'S NEW ROLE IN HISTORY CITED

BY ERNEST R. CAMFIELD

Declaring that "Asia is coming into its own, and America must face the fact," Dr. James Latimer told the Upland Lions club yesterday noon that America will play a vital part in the creation of a "new" Asia when the peace treaty is written.

Dr. Latimer, who is a former secretary of the Y. M. C. A. in China and an authority on the Far East, expressed belief that the United States, by her past record in Asia and by the recent stand that the state department has taken, will lead the world powers to a new realization of the importance of China's independence—free from all foreign control.

In the formation of China's independence all foreign nations must relinquish any rights to concessions in Chinese cities such as Shanghai, declared Dr. Latimer. Heretofore China has had no control over these foreign concessions, which were set up in the treaty of 1843. Even though the United States was offered a strip of territory in Shanghai, it was never accepted by this government, Dr. Latimer stated.

If the United States is to lead in the fight for a democratic order in Asia, she must seek to deal justly with China, "wipe from her vocabulary the word concession", and take a firm stand for the freedom of India, concluded Dr. Latimer.

L. A. Fox served as program chairman. Guests at the meeting were M. L. Gallagher, Upland, and Dr. H. J. Kaufman, Ontario.

Million Tons of Scrap Collected in Outlying Districts

Amount of scrap collected outside the incorporated cities in the county by the California highway patrol and the traffic auxiliary totals 1,234,000 pounds, it was reported today.

This is in addition to all the collections made within the incorporated municipalities. Fred E. Draper is head of the local traffic auxiliary. The scrap has been received at various depots at the rate of 50 tons a day.

Fall at Work Injures Man

As the result of a fall while engaged on construction work at Mira Loma, Clarence Jenkins, Archibald avenue and Riverside drive, Ontario, was taken to San Antonio Community hospital about 6 p.m. Wednesday, where he received treatment for a fractured right hip.

Your Carrier Boy

FIRST AVENUE

SECOND AVENUE

Larry DeLong, son of Mr. and Mrs. Clyde W. DeLong, 1130 East Arrow highway, is the carrier boy responsible for placing a copy of The Upland News on the porch of each subscriber on North First avenue and North Second avenue from A to Eleventh streets.

He also delivers papers between the two avenues to houses on the intersecting streets such as C, D, Arrow highway, F and G.

He is a seventh grader and delivers papers to almost every house within his area.

BALLOT MEASURES DISCUSSED FIRST TIME IN UPLAND

Giving a brief background of the California state constitution and a general statement about propostions on the Nov. 3 ballot. Wiley W. Mather presented a highly interesting discourse at the Upland Parent-Teacher association meeting in the Elementary school auditorium last night.

Mr. Mather stated how he was going to vote on each proposition, with a general reservation that he might change his mind on some of them after a more thorough analysis of the measures. This discussion and his "Yes" and "No" listing was followed with keen interest.

FIRST MEETING

This was the first meeting of the P.-T.A. of the new school year with Mrs. D. F. Jones, president, presiding. A brief business session preceded Mr. Mather's address. The four teachers new to the Upland staff this year were introduced by Miss Jessie Brown, Elementary school principal. One of the new teachers, Miss Peggy Grahame appeared in two solos, accompanied by Ernest Camfield.

Mr. Mather's subject was "Democracy at Work. Referring to the voters' pamphlets that will soon be issued, the speaker said: "When you read the arguments about the various measures, remember there is an awful lot of hot air."

Many of the 18 ballot measures are submitted in an effort to correct defects in California's out-moded and bulky constitution, according to the political science professor at Chaffey junior college. Fourteen of the measures are referendums.

"It can be presumed that referendum measures are generally acceptable, because of their careful analysis by legislators, who recognize a just need for adoption," Mr. Mather stated.

"Another safe presumption," continued the speaker in his opening remarks is that initiative measures come from pressure groups which have been able to finance the obtaining of enough signatures to get the measures on the ballot."

EACH MEASURE ANALYZED

Mr. Mather briefly discussed each measure and indicated his present attitude in voting on each one. Following is a brief summary of Mr. Mather's personal beliefs about the various measures:

No. 1—Act prohibiting secondary boycotts and "hot cargo" practices. Mr. Mather will vote "No" because it "goes too far in indirect legal liability."

No. 2—An act providing for annual (instead of biennial) legislative sessions, each session being limited to 60 days. Mr. Mather will vote "No" because there is no provision for longer sessions" and he considers that when a change is made it should be properly made.

No. 3—Basic science medical act. Mr. Mather, will vote "No." While recognizing it is an apparent attempt to raise the standards of the healing art profession, he does not believe it will accomplish much and will

(Continued on Page Five)

Cars Collide As Both Arrive Same Place Same Time

Entering the intersection of Ely street and Fern avenue at the same time, cars driven by Miss Helen Irene Beaver, East Riverside drive, and Chris Commentz, Euclid avenue and Riverside drive, Ontario, collided shortly before 8 p.m. Wednesday, according to the accident report filed with Ontario police.

Feared to have suffered internal injuries, Commentz was rushed to San Antonio Community hospital by ambulance for examination, which disclosed nothing amiss. He was said to have sustained minor injuries and to have suffered shock. Miss Beaver was given treatment for minor injuries at a doctor's office in Ontario.

"Give Furniture and Give Comfort" Is Plea Made by USO and Red Cross

Excellent results of the Red Cross Camp and Hospital committee drive for furniture for military camp day rooms in this area may be witnessed at the Red Cross committee headquarters in the former Mehl hardware store. Furniture picked up with the assistance of army trucks yesterday and today, almost fills the large quarters in the Odd Fellows building, and workers are getting a good start with refinishing work.

Mrs. John B. Craig, chairman, states that the response with gifts of furniture and money for the work has been excellent, and that there cannot be too much of either. Volunteers to assist with the refinishing work are welcome at the headquarters, and Mrs. Craig asks that people keep up the good work.

Residents of Upland and the West End have never had such a fine opportunity to rid their attics, basements and even crowded corners of their homes of discarded, disused or worn furniture as is offered now by both the Ontario-Upland USO and the Upland Red Cross Camp and Hospital committee.

As a protection against incendiary action, civilian defense officials particularly advise the clearing of attics and basements as much as possible of unneeded articles.

To furnish the Ontario Woman's club comfortably and adequately for soldiers' recreation, there now is an urgent need for the following furnishings: Davenports, easy chairs, bridge tables, desks and writing tables, and floor lamps and table lamps. A pool or billiard table, it is said by Mrs. Theodore Combs, will be a very welcome gift.

Anyone having donations of furniture may call J. M. Macrae, general chairman, at 618-171, and arrangement will be made to have it picked up.

People are asked not to confuse the USO and the Red Cross appeals for furniture. In either case, such gifts will serve the comfort of service men, but the USO will provide for them when they are away from their camps, while the Red Cross will furnish the day rooms at the camps.

USO and Red Cross leaders ask that this be "Give Furniture Week", and declare that its success will "give comfort" to thousands of fighting men in training.

UPLAND INN SOLD TO BUFFALO MAN

As new owners of the Upland Inn, Mr. and Mrs. George Wurster of Buffalo, N. Y., became new residents of the community today. They purchased the property from William Avery, who until recent years was active in management of this city's hostelry. He is now in Puyallup, Wash.

A. L. Richmond, who had leased the property for a year, said he will return soon to Santa Monica.

Mr. and Mrs. Wurster visited here about 14 years ago and since then have been keeping in touch with the community. Their acquisition of the property fulfills a cherished ambition. The transaction was handled by H. F. Naisbitt.

Ballot Issues Will Be Discussed Next Monday at Meeting

Upland voters are reminded of the meeting sponsored by the Pomona Valley League of Women Voters to be held at the Village theatre in Claremont at 2:30 p.m. Monday, at which time "Ballot Issues" will be the topic of discussion by Mrs. Jackson Chance, Pasadena woman attorney and former president of the Pasadena League of Women Voters.

Mrs. Jackson, it is announced, will present both sides of issues which will appear on the November ballot, explaining and discussing them for her hearers. The meeting is open to the public, it is emphasized.

NEW POLICE CAR PURCHASE ADVISED

The matter of providing a new car for Upland police department, while such machines are still available, was considered by the city council last night.

City Manager R. G. Manley told the council that the department now has one machine in service which has traveled 60,000 miles, and that in another seven months it will have reached the 100,000 mile retirement mark.

A war bulletin communication received recently by Chief of Police Eugene L. Mueller stated that the government will take over all new cars in the market in 1943, and recommended that if the city needed a new police car one be secured without delay.

The city council advised Mr. Manley to investigate the matter further and report his findings at the next council meeting.

BUILDING LAGS AT MID-MONTH

At mid-month, with the issuance of five building permits by Richard W. Derby, Upland building inspector, construction projects have attained the grand total of $615. This will leave the lion's share of building activity to the last 16 days of the month, if October is to even approximate September's building total of $2,530, which was the sixth highest monthly total for the year.

Permits issued to date for October include: Reroofing a store building at 728 East Ninth street, owned by Calvin Niswander, 841 East Ninth street; roofing a shed at the L. S. Donnell place, 215 East Fifteenth, and reroofing the W. F. Farmer residence, 446 Campus avenue.

Largest permits for the month were issued to the following: Dr. Murray Weaver for construction of a canopy to shield the ambulance unloading ramp and for the addition of a porch roof at the Green Memorial hospital, and to Miss Lulu Kinyon for the erection of a garage at 568 C street.

Harold W. Cook Is Still in Hospital

Harold W. Cook, superintendent of Upland schools, who was injured a week ago this afternoon when a porcelain faucet he was closing shattered and severely cut arteries and tendons in his hand, is still confined to San Antonio Community hospital.

Mr. Cook is resting as comfortably as can be expected.

SAVE TIN CANS IN UPLAND NOW

Tin cans are now wanted by Upland Salvage committee, it is announced today by Howard N. Mason, salvage chairman. This information was brought by Mr. Mason from a meeting of salvage officials which he attended last night in San Bernardino.

However, Mr. Mason asks that people do not start bringing them to the salvage lot until preparations have been completed to handle them, but to start saving them for eventual call, which will be soon.

As soon as a bin can be built in which to accumulate the cans for loading into trucks, the local committee will call for cans. Most important thing to remember in saving cans is to wash them out so that they will be clean and that accumulation of them will not attract rodents and insects, Mr. Mason emphasized. He said that cans did not have to be flattened.

As soon as a bin is built, collection of cans will begin, Mr. Mason declared, and the public will be advised of all necessary requirements.

STRANGER TRIES TO ENTICE CHILDREN INTO AUTOMOBILE

Occurrence of what appeared to be an attempted kidnapping this morning in Upland was reported to Upland police, and Chief of Police Eugene L. Mueller cautions all parents to warn their children not to accept rides or heed the invitations of strangers who may accost them on the streets.

An attempt was made this morning by an unidentified man to induce two small girls to enter his automobile, but timely interference by the mother of one of the children, who saw their plight, frightened the man so he took to flight. A search is being made in this area by police in an effort to locate the man.

Citing the recent case of the kidnapping of a small San Francisco child, and the fact that the activities of a potential molester of children are known to have occured here, Chief Mueller emphasizes the necessity for alertness and caution both on the part of parents and children.

H. M. Guy Named To Be Member of Rationing Board

Appointment of H. M. Guy and L. A. Galbreath, Chino, brings the membership of the West End War Price and Rationing board to 15 members, in accordance with requirements of OPM.

Increase in duties of board members in connection with the gasoline rationing to be inaugurated next month has made necessary the addition of new members to the board.

REPORT RELEASE OF PRIORITY FOR REBUILDING JR. HI

Approval for reconstruction of the cafeteria and shop wing of the Upland junior high school, most severely damaged by the fire last spring, appears to be in the offing, according to word communicated to Upland board of education this week by Senator Sheridan Downey.

A telegram received from the Senator by Howard N. Mason, clerk of the board, indicates that a priority number for completion of renovation and reconstruction work in the fire-damaged section has been released by the War Production Board.

However, President Frank K. Nichols of the board and Mr. Mason state that, as yet, they have not received any direct appraisal of such action from WPB itself, but if it is forthcoming, it will be very welcome news.

Call Railway Express for Tire Pickup

Uncle Sam, through the Office of Price Administration, will buy all spare tires. That is, all tires over and above five tires allowed to each automobile.

Citizens are required to gather up all tires in excess of the five-tire allowance and turn them in to the OPM, to which has been granted a sum of $150,000,000 to purchase an estimated 2 to 5,000,000 tires in the country.

To get tires into the hand of the OPM, citizens may call the Railway Express Agency and the agency trucks will pack them and dispatch them to the nearest government warehouse to be inspected by appraisers.

Boy Is Killed When Struck by Upland Car

City Hunting for Another Dumping Ground—Sans Fire

It is getting to be a habit, so that when a fire alarm comes into the fire department, the fire truck and driver just naturally starts in the direction of the city dump these days, City Manager R. G. Manley told the city council last night, and he opined that something was going to have to be done about it, not about the fire department, but about the city dump.

Numerous fires have originated in the dump of late, Mr. Manley said. Only recently, a fire in the city dump kept two men with hoses busy for two entire days to completely extinguish the smouldering fire. Scarcely was this fire out and cold, Mr. Manley said, than another fire started in the dump again on Wednesday this week.

So the city manager is diligently hunting for another happy dumping ground for the city—one which will not harbor fire so readily and frequently. He expects to report success of his search to the council very soon.

RATION OFFICE RENTAL DIVIDED

A note of hope that tire rationing might be extended to all motorists was sounded today by announcements made early this morning, but notwithstanding, West End War Price and Rationing board officials are more concerned with securing the aid of the cities of Upland, Ontario and Chino in underwriting the rental of board offices at 119 West Transit street, Ontario—or else.

A letter requesting that Upland pay a proportionate share of the board's rental, was presented to Upland city council last night, with the allocation between the cities stated by Chairman H. M. Shattuck to be $15 for Upland, $25 for Ontario, and $10 for Chino.

Upland board representatives L. R. Bradley and Don E. Palmer were present to press the request and to answer questions of the council. Mr. Bradley said that it may be possible that the West End board will work out some plan to have a representative of the board be in Upland at certain specified times to accommodate local residents and save them many tire miles to Ontario.

With the institution of gasoline rationing, it was pointed out, some changes might be made to eliminate unnecessary travel. Plans also will include having rationing blanks available locally, where people may secure them, possibly at the chamber of commerce, the city hall, and at Mr. Palmer's office.

The council approved payment of the prorated rental apportioned to Upland, but at the special request of Mr. Palmer and Mr. Bradley, made its payment contingent upon the Office of Price Administration reimbursing Mrs. DeVon Francisco for her services to the board. Chino has approved its share of the rental, while the Ontario council has it under advisement, and expected to give approval soon.

Arthur Sherbondy House Purchased By Pomona Woman

Mr. and Mrs. Arthur Sherbondy have sold their residence at 538 Sixth avenue to Mrs. Nellie M. Sherman, who for many years operated a millinery in Pomona.

The sellers have rented a house in the Swartzendruber court at 123 G street. The transaction was made by G. T. Redmon.

CRASH INJURIES BRING DEATH TO BOY ON BICYCLE

Head-on collision between a bicycle and automobile on Campus avenue, just south of Fifth street, shortly before 7 o'clock last night resulted in injuries to the rider of the bicycle, 10-year-old Lester O'Dell McDade, 402 West J street, Ontario, who died at 7:45 p.m. at San Antonio Community hospital from a basal fracture of the skull and cerebral hemorrages.

The boy is the son of Mrs. Elise L. McDade, office manager and assistant secretary of the Upland Citrus association. She is well-known in Upland, having been connected with the Stewart Citrus association previous to its closing a year ago.

In a statement to Ontario police, who investigated the tragic accident, Elam Dohner, 32, 612 North Third avenue, driver of the car which struck the youth, said that as he was driving south on Campus avenue at approximately 20 miles per hour, he overtook another car driven by R. H. Hardin, 385 Eleventh avenue, and started to pass this vehicle.

As he drew along beside the Hardin car, he told police, someone on a bicycle loomed up just a few feet ahead of him and, seeing that he was going to collide with the bike, he tried to avoid it by turning to the right, but it was too late.

Mr. Dohner also stated to the police that at the time of the impact the rider of the bicycle went over the left fender of his car and into the east gutter of Campus avenue. Police and ambulance attendants removed the young victim from a point 184 feet south of Fifth street, finding him lying lengthwise across the gutter, the police reported.

The youth is survived by his mother and sister, Diane, 8½ years old, who reside in Ontario, by his father, Grady O. McDade of Monrovia and by his grandmother, Mrs. H. C. Lester of Monrovia.

Funeral services will be held Tuesday afternoon in the Temple mortuary Monrovia with interment in the Live Oak cemetery, Monrovia.

An inquest will be held at 10 a.m. Monday in the Ontario chapel of J. B. Draper Co. with P. H. Evans, the new deputy coroner, having made the investigation last night.

Two From Here Go On Active Duty in Civilian Air Work

Two Uplanders and an Ontario resident will report for active duty with the Civilian Air Patrol in Texas on Monday.

Carlton Magruder and Kenneth Walton of Upland and Lloyd Eckles of Ontario, members of the Ontario squadron of the air patrol, will be on active duty for the duration, according to orders received by them.

Mr. Walton will serve as base radio operator and technician while the other two men will serve as pilots. They have been in training in Ontario for months.

P. H. Evans family Moves to County Seat City Today

Mr. and Mrs. P. H. Evans and family are moving today from their home at 711 Washington boulevard to their new residence at 3055 Serana road, San Bernardino.

An officer on Upland police force for nearly seven years, Mr. Evans resigned recently to accept a position as a deputy in the county coroner's office in the Gate City. Tire and travel restrictions due to the war have largely dictated their change in residence to the county seat.

The Upland News

Established in 1894

Published every Tuesday and Friday afternoons at 170 North Second Avenue, Upland, California. Telephone 311-06. Entered at the Upland post office as second class mail matter. Annual subscription is $2.50; $3.00 by mail outside San Bernardino County; single copies, five cents.

TODAY'S BIBLE VERSE

Grow in grace and knowledge of our Lord and Saviour Jesus Christ.—II Peter 3:18.

The Man on the Spot Will Vote "Yes" on No. 1

The man who is personally on the spot in the "hot cargo" issue is the patriotic union man who is doing his best to make every hour of work count toward victory on the industrial front in this war.

The Hot Cargo and Secondary Boycott bill was passed by the Legislature as a war measure, valid only for the duration of the war emergency period, to preclude stoppages of production and interference with the handling and delivery of vital materials. Many responsible labor leaders, realizing the danger of such extreme labor weapons in the hands of irresponsible or even subversive hot-heads, have voluntarily pledged themselves to abandon their use for the duration.

But now, through the referendum of Proposition One, a minority of men in union power are seeking to prevent the Hot Cargo and Secondary Boycott bill from taking effect as law. Should they succeed, they would not only place critical war production in jeopardy, but would put the overwhelming majority of patriotic workers, who are proud of their service as soldiers of production, and proud of the Army and Navy "E" flags flying over many of their plants, squarely on the spot.

Imagine the case of a worker, engaged in transporting ammunition that may be used by his own son fighting under MacArthur, being told to walk off the job because some minor labor czar decides the material is "hot cargo"! There is no excuse whatever, while the nation fights for its life, for situations where a worker's patriotism is arbitrarily placed in conflict with his loyalty to his union.

If the Hot Cargo and Secondary Boycott law is upheld by a heavy majority on November 3, which seems highly probable, this victory for labor harmony in war-time production will be gained in large part because thousands of California workers, resentful at being so unfairly put on the spot, will vote an emphatic "Yes" on Proposition One.

Of Course, You Will Respond to Community Welfare Call

One call after another comes to the people of the community. And that is to be expected in these times, more than ever.

And each call should receive the considerate attention of every resident. Emphasis right now is on the annual Community Welfare fund. "Only" $2,500 is being sought. We say only, because a vast program of worthwhile activities is being sponsored by the four benefiting organizations.

The "baby fund" for use at the San Antonio Community hospital, provides opportunity for financially unfortunate children to receive the most skilled attention. The Boy Scouts, the Girl Scouts and the Upland Junior Welfare League also give much to the community life. Without the generous support of many local people, work of these organizations would have to be curtailed. Of course, that cannot be permitted. You—meaning every financially capable person in the community—will do his or her part.

Public Spirited Godfrey Andreas Will Be Long Remembered

Godfrey Andreas, the community's public-spirited citizen, city councilman and representative in the state legislature, was taken to his final resting place this morning, while many people deeply mourned his passing.

He will be long remembered because he was a friend of so many people. His generous soul responded when he heard of someone in need. He was a hard worker, not so much for his own interests, but for projects that would benefit his own community or his own legislative district.

"Godfrey", as he was affectionately called by hundreds, will be missed.

The Farmer Sets a Record

The estimated cash income of farmers, reports the Department of Agriculture, will this year reach all of $15 billion. In at least one sense, that critical tire shortage isn't keeping the farmer from going to town.

DANCE WILL OPEN USO OCTOBER 23

Official opening of the Ontario-Upland USO is to take place with a dance to be held at Ontario Woman's clubhouse, headquarters of the West End unit, Friday evening, October 23, it was decided yesterday afternoon at a meeting of the finance committee and activities joint chairmen.

Budget requested for carrying on work of the West End USO unit was granted, it was reported by Charles Hansen, finance chairman, and work now will be started at once to prepare a program of activities and to secure suitable furniture for the clubhouse. The committee especially seeks davenports, easy chairs, card tables, ash trays and lamps—and a pool table, if possible.

Attending yesterday's meeting were: Mr. Hansen, chairman; J. M. Macrea, Henry M. Busch, Frank Nichols, R. Fred Price, Walter Allen, J. C. Armstrong, and Mrs. Herschel Griffin and Mrs. Theodore Combs, the latter being joint chairmen of activities.

The work of Mr. Hanamura, who formerly was the proprietor of a large service station on Terminal Island, is adding much to the development of the new city. He has made a study of dobe construction and is directing the manufacture of dobe brick, which are going into the construction of some of Poston's principal buildings. Construction of the high school with adobe has now begun, following the completion of a press club building, a refreshment stand and a barber shop.

TIME PASSES

14 Years Ago

Remodeling of Goodban's Brownbilt shoe store will be started within a short time and construction of a new home for the Magnolia Mutual Building and Loan association, next to the shoe store, will be under way as soon as bids are opened, it was announced today by Jas. E. Goodban and Don E. Palmer.

Walter W. Horak, local realtor, returned today from San Francisco, where he represented Upland Masonic lodge at the seventy-ninth annual session of the Grand Lodge of California.

C. E. Grier, supervisor from the West End, presided as chairman of the county board of supervisors at its weekly meeting yesterday. Chairman C. S. Crain was absent due to illness and Mr. Grier was selected to preside.

Mrs. R. R. Harrington of North Euclid avenue will leave tomorrow for Imperial valley, where she will spend several weeks.

Francis Rogers today is sole owner of the grocery store known for several years as Hayman & Rogers store. A. H. Hayman, who has been a partner in the store for eight years, has not announced his plans for the future.

Mrs. Stella Breffle and Mrs. Charles Haughs were among those from Upland who enjoyed the play, "The Desert Song" in the Majestic theatre in Los Angeles Wednesday.

Edw. E. Gray, attorney of Astoria, Ore., who has been a guest of R. H. Henderson, 765 Euclid avenue, left Thursday for his Oregon home. Mr. Gray has visited here before and each time he is increasingly pleased with this community.

Mr. and Mrs. George Stamm of North Euclid avenue will have as their guests over the week end Mr. and Mrs. J. A. Stodel and family of Los Angeles.

Mrs. Edith S. Troeller, who has been vacationing in Oakland for several weeks, has returned to Hawaii to resume her teaching in the schools in Lihue, Kauai.

10 Years Ago

R. O. Price was elected a member of the state board of directors of the California Farm Bureau Federation during the annual meeting of the San Bernardino County Farm Bureau held Thursday in San Bernardino.

Telling of her impressions of the hospitals of continental Europe, Mrs. A. Bradford Whitney will speak at the annual silver tea to be held Monday at the home of Mrs. J. S. Armstrong in Ontario by the Woman's Auxiliary of San Antonio Community hospital.

W. E. Walk, 744 East Ninth street, has returned from a visit in his former home, Memphis, Tenn.

Ernest Bridenbaugh, who submitted to a major operation at San Antonio Community hospital, has been returned to his home on North Campus avenue.

Mr. and Mrs. Chas. O. Deverts, worthy matron and associate patron of Upland chapter, Order of Eastern Star, are in San Francisco attending the annual session of the Grand Chapter of California.

Mr. and Mrs. Ernest Olson motored to the scene of the recent cloudburst in the Tehachapi district and saw a large locomotive buried in the mud.

Feature of the Fathers' night meeting held by the Tenth Street Parent-Teacher association, was the official acceptance of the new name of "Fannie D. Noe school", recently selected by the school children of the Tenth Street grammar school. The new name honors Miss Fannie D. Noe, principal of the school for a number of years.

Mr. and Mrs. Howard Graves have returned from Mendocino, where they spent the past three months on their apple ranch. They also enjoyed fine hunting and fishing.

Mr. and Mrs. Frank Joines, 439 East Ninth street, left Monday for Forth Worth, Texas, where they will visit with friends before starting on a several months tour of the country, going whereever fancy dictates.

Learning what a wife is crying about is every bit as easy as unspilling milk.

UPLAND INSPECTOR NAMED MEMBER OF COAST COMMITTEES

Appointment of Upland and Pomona building inspection representatives to executive and advisory posts of the Pacific Coast Building Officials association at the association's annual conference in Reno recently indicates a growing recognition of smaller cities in building affairs of the west.

Richard W. Derby, Upland building inspector, together with Gilbert Morris, chief building inspector of Los Angeles, were named the two members to represent the southwest section on the research committee.

The research committee, comprised of eight members, two representing each quarter of the United States, together with members representing the American Steel Institute, the National Lumberman's association, and the National Association of Clay Products, investigates and tests all new materials submitted by manufacturers for building construction uses. Approval of products by this committee is necessary before such products can be used by cities which operate under regulations of the uniform building code. Upland, incidentally, is a code city.

M. G. Riddle, building inspector of Pomona, also brought distinction to the San Bernardino-Pomona valley group of cities, because of his appointment to serve on the executive council of the Pacific Coast Building Officials association.

Further recognition was accorded Mr. Derby's ability in civic work at the recent Stockton convention of the Pacific Coast Plumbing Inspectors' association, where he was named a member of the executive council of that organization, representing the southern district.

Mr. Derby also was appointed to serve as a member of the association's newly organized coordinating committee. This committee has been organized to work with government agencies and health departments in all phases of the plumbing industry.

Two Cars Damaged In Sunday Accident

Cars driven by Pvt. Charles J. Brooks, 2811 Hyperion avenue, Los Angeles, and E. A. MacLean, 238 North Second avenue, figured in a collision Sunday afternoon at Euclid avenue and Olive street, according to an accident report filed with Upland police.

Both cars were traveling south on Euclid, when the Brooks car started to make a left-hand turn into Olive street at about the moment the MacLean car was about to pass it, the police report said, resulting in the crash, damaging both machines. There were no injuries to persons in either car.

Rise Stevens Opens Claremont Concert Series on Monday

Rise Stevens, delightful young mezzo-soprano, will open the Claremont Colleges Artist Course in Bridges auditorium next Monday, Oct. 19, at 8:15 p. m., when she sings for the first time in Claremont.

Miss Stevens was born in New York city, educated at New High in Long Island, and has been singing since she appeared as a 10-year-old prima donna on a local radio program. While in her 'teens she was discovered by Mme. Schoen-Rene, the noted voice teacher, and was later awarded a three-year scholarship at the Juilliard School of Music.

Soldier Gives His Opinion of Boy Who Dislikes Army Life

The following verses, sent to his home newspaper by a Beloit, Kan., soldier in Ireland, was submitted to The Upland News by a former Kansas resident:

ROUGHNECKS

Your boy can't stand the army?
It's much too tough for him?
You think he's any better
Than Molly's Tom or Tim?

You raised him like a lady.
He doesn't swear or brag.
If other lads were like him
Who then would guard our flag?

You say his girl won't like
His going with the rest.
I wonder how she'd take
An enemy caress.

Thank God, stars in Old Glory
Will never bear such stains;
Because a million roughnecks
Have red blood in their veins.

So let the tough boys fight,
They're used to beans and stew,
And every blooming roughneck
Loves his Red, White, and Blue.

They'll fight in any weather,
A grin on every face.
Keep darling Percy home,
While brave men take his place.

Yes, we are young and tough.
We'll fight like Grandad did.
Go warm the milk for Percy—
We don't need such a kid.

—Anonymous

Thief Attempts to Enter Car Parked Near Main Corner

A broad daylight attempt to break into an automobile parked at the corner of Second avenue and Ninth street was reported to Upland police late Tuesday afternoon by F. R. Lee, 508 West street.

Mr. Lee told police that about 5 p. m., upon returning to his car, which he had left parked in front of the First National bank for about an hour, he discovered the door handle broken and the lock ruined beyond further use.

JUNIOR HOSTESSES SOUGHT FOR U. S. O.

With opening of the Ontario-Upland USO center at Ontario Woman's club, scheduled for just one week from today, on Friday, October 23, junior hostesses will be much in demand, it is announced by those in charge of plans for forthcoming USO activities.

Upland, Alta Loma, Cucamonga and Etiwanda girls may secure junior hostess application blanks at Atwood's, Upland; McCarty's pharmacy, Cucamonga, and Newton's, Ontario. Local girls who wish to participate in soldier entertainment activities are urged to secure and fill out these applications and return them as soon as possible to Mrs. P. J. Weiland, 2561 South Euclid avenue, Ontario.

Girls who already possess the blue identification cards issued to admit them to USO dances held in Upland during the past two months, will not need to fill out the application blanks, Mrs. Weiland said. She also cautioned girls to be careful to have their applications signed in the spaces provided for sponsors' signatures. A number of applications have been received without this necessary endorsement, and therefore cannot be accepted, Mrs. Weiland explained.

L. A. Girl Injured In Motorcycle-Car Mixup on Highway

Miss Helen Lee Davis, 24, 447 East Ninety-fourth street, Los Angeles, had both bones of her left leg broken above the ankle, when a motorcycle on which she was a passenger Sunday afternoon figured in a collision on East A street, Ontario.

It is reported that the cycle on which Miss Davis was a passenger ran into another motorcycle which itself had collided with a car driven by Florence L. Draper, 3118 Swan place, Los Angeles, as the latter was making a right turn into a driveway from the middle traffic lane. Pilot of the motorcycle was James M. Hickson, 19, 6503½ Malabar street, Huntington Park.

The young woman received emergency treatment at San Antonio Community hospital, having her ankle and leg put in splints, so that she could make the return to Los Angeles and have the injured member cared for by her family physician.

Redlands Runaway Enroute to City Eludes Searchers

Seeking the whereabouts of Beatrice Ruth Walton, Redlands, juvenile runaway, Redlands police called Upland police at 3:30 p. m. Saturday, and asked that the department check a local address to intercept the girl, if possible.

However, Upland police were just an hour-and-a-half behind the young lady upon their arrival at the local address, as she had left for Los Angeles on the 2 p. m. bus. But the police did pick up her clothes, which had been left here.

Redlands police were promptly notified of the girl's departure and destination in time so that Los Angeles police could be at the bus to meet her upon its arrival at the metropolitan terminal.

War-Time Service Offered Women War Workers in Upland

As a war-time service, planned to be of assistance to women employed in defense work, The Upland News is arranging to conduct a clearing-house for babies.

A number of women in this area are now engaged in defense work and doubtless many others would answer the insistent call for more women workers in the defense plants—if they could secure competent care for their children.

The Upland News will undertake to keep a list of war workers needing someone to care for their children and also will list those women who are willing to do what they can to aid in war production by caring for the children of war workers.

Interested persons should telephone or call at The News office. Names and addresses will be exchanged, but all details of arrangements will be handled by the parties themselves.

This is war. And those who cannot be fighting in the front lines have an important home-front service to perform—that of aiding in every way possible those who are at the front, either on the production assembly line or on the battle line.

Fourteen thousand tons of ore are required to produce one ounce or radium.

America's automotive service men are playing an important part in the nation's war effort. It is their job to "save the wheels that serve America."

SUPER CHEVROLET SERVICE

The Automotive Mechanic of Yesterday Is the VICTORY SERVICE MAN of Today

Help him to help you "SAVE THE WHEELS THAT SERVE AMERICA" by getting a skilled service check-up regularly

Take the word of millions: MORE PEOPLE GO TO CHEVROLET DEALERS FOR SERVICE than to any other dealer organization

Just how important the automotive mechanic's work is to the nation will be clear to all who consider the following facts*:

- Automobiles and trucks form the sole practicable means of transportation for war workers and war materials in many communities throughout America.
- In some sections, 78% to 100% of the workers drive by automobile to vital war plants.
- 2,314 U. S. cities, with a population of 12,524,000, depend on private cars for transportation; 54,000 communities depend entirely on motor vehicles.
- Six out of every ten farms use one car or more; 67% of farm car mileage is necessity driving.
- More than 65.2% of all war plants reporting in Michigan, (a typical war production state) depend on trucks to haul their incoming and outgoing freight.
- Trucks haul nearly 100% of the milk supply of most large cities—and 58% of all livestock marketed in the U. S.
- Trucks are the sole transportation system serving our 54,000 communities not reached by railroads.

The automotive mechanic—*the trained Chevrolet Victory Service Man*—is the lifeguard of America's millions of cars and trucks. Help him to help you and America by getting a skilled service check-up at regular intervals.

Give Once in Aiding 4 Worthwhile Organizations in the Community

WELFARE DRIVE

BOY SCOUTS PATROL EVEY'S CANYON

Boy Scouts have been assisting the Forestry Service by patrolling Evey's Canyon and the foothills for Fire Prevention—more needed than ever now.

BOY SCOUTS COOPERATE IN CIVILIAN DEFENSE

Boy Scouts have been assigned to each district in the community to furnish Messenger Service whenever needed. In case telephone service were interrupted or curtailed, this service would be invaluable.

ORGANIZED GROUPS IMPORTANT TO ALL PHASES NOW

With the lack of adults to carry forward the increasingly important things in our present life, the Boy Scouts and Girl Scouts are playing a vital part, and it means much to the community to have groups organized at this time.

Our boys who have gone into the service of our country tell that Scout training has been a big help in their military training and life. They have through their early days in Scouting learned discipline, to obey orders, and the outdoor life—all valuable now.

OFFICE OF WAR INFORMATION
OFFICE OF PRICE ADMINISTRATION
OFFICE OF CIVILIAN DEFENSE

The Boy Scouts of America have received high praise from Price Administrator Leon Henderson and Civilian Defense Director James M. Landis for the job they are doing in distributing price control information to 25,000,000 homes throughout the nation.

"What You Should Know About Price Control" is the title of a leaflet which a million and a half Boy Scouts are delivering from door to door in every community of the United States. By mobilizing their resources, the Scouts have already managed to complete 80 per cent of the job. Preliminary reports indicate that the leaflet has been distributed to approximately 20,000,000 urban and rural homes in the past few weeks.

JUNIOR WELFARE LEAGUE

For many years the Junior Welfare League has been busily engaged with child welfare definitely in mind. Each year they have all children's teeth examined and cards sent to parents when need for dental work is found. When, in the past, the parents have been unable to assume the expense necessary for this care, the League, after ascertaining from the school nurse or the teachers, stepped in and financed this. They have also been supplying shoes for needy children, buying sturdy and well-fitting ones for longer wear.

This year, with the employment situation so greatly improved, the members of the League hope that in most cases the parents may find it possible to furnish both of these attentions for their children, but if the need arises they wish to be in a position to cooperate to any extent necessary.

The girls comprising this group are giving much time and effort to other community projects and war work, and are among the busiest women in the city. Each one takes her turn at the Rock Pile; all give time and effort to U. S. O. and many allied and related interests are served. In fact, whenever and wherever need arises for enterprising assistance in any good cause we find the members of this group willing, efficient and untiring.

We know, too, that any money turned over to them for use will be stretched to the limit, for they are good business women and can cut the costs of operation low or absorb them.

The community is being well served by the Junior Welfare League.

SICK BABY FUND

Following are a few typical cases treated during the last year of service by the sick baby fund:

1—A child of working parents, was suffering from mal-nutrition and dysentery. It had been ill for a long time. The mother was trying to run her house and take care of the child. They could not afford hospitalization. The child was rushed to the hospital, where she was given care and recovery followed.

2—A child was very ill of type seven pneumonia. It was rushed to the hospital and given serum and returned home well in three days.

3—A family of many years in the community had a child suffering with pneumonia and malnutrition. The two-months-old baby was given attention and gained strength in due time.

4—Another child with pneumonia was saved. The father is a laborer. Use of the fund enabled the child to receive proper attention.

5—Child of a very large family was sick a long time at home with pneumonia and secondary anemia. At the hospital the child gained and is now developing into a healthful youngster.

6—Three children in the family and all were sick. One was acutely ill and it was too much work for the mother to give it proper care. The family was not eligible for county relief and due to other bills and obligations, no additional expense could be incurred. The fund provided the money.

GIRL SCOUTING TODAY

Girl Scouting has been challenged today. We know it offers opportunities for development of both character and ability that are always important, but today are vitally so—the living of democracy that is the fundamental life of the Scout troops gives the training that girls must have if our country's democracy is to remain sound and safe. Our challenge is to continue to give the girls these opportunities today.

The need for youth organizations emphasizing democratic principles is recognized today in the interest shown by the women in Upland who offer their services in Scouting, Mrs. Frank Phillips, Mrs. Warren Wass, Mrs. Hjalmar Anderson, Mrs. Allan Barr, Mrs. George Cunning, Mrs. Howard Pierce, Mrs. Donovan Palmer, Mrs. P. W. Rohrbaugh, Mrs. Jack Dorrity, Elizabeth Dean, Catechist Conroy, De Groot, Lois St. John, Ethel McCorkindale, Mrs. James Hunt, Mrs. Gordon Nicholson, Mrs. Charles Jones, and Mrs. Archie Fenn, all of whom are adults sponsoring the Girl Scouts in Upland.

The Government has informed such agencies as the Girl Scouts that if they are not supported by their communities that the Government will have to take over the responsibility of offering such opportunities for youth, as it is essential today that youth be guided for the future welfare of the world. Investing in youth today is a permanent investment for that which we are fighting for. Men cannot produce at a maximum in the fruit fields and war plants nor can they fight their best unless they know their children are happy and taken care of by society, which is their community. Children today are neglected in the home, due to both parents working in defense or other work, volunteer and shop work, so let's keep the Girl Scout organization functioning in order to give the girls some attention today!

COMMUNITY SERVICE

Health, thrift, conservation, first aid, homemaking, child care, and gardening have always been a part of the Girl Scout program. Last year the Girl Scouts were active in making over 2,000 fag bags in Upland for fire prevention, taking care of babies at the hospital tea, making Victory Boxes to set about town for people to put their saved materials for defense in, carolling around the town and hospital and the Mexican camps at Christmas time, assisting in taking care of the children at the summer recreational program, taking care of young children while their mothers did Red Cross work, offering their services to the air-raid wardens, learning games to teach families during the blackouts, learning first aid, fire prevention, how to fix home appliances, cook, exercising and keeping fit physically, learning how to provide meals without kitchen facilities, devising temporary shelters, studying nutrition and health maintenance. These are the requirements for the badges the Upland girls have been working on in their weekly meetings throughout the year.

Chaffey District has a membership of girls of over 450, meeting four times a month for ten months during the year, which totals 18,000 meetings a year. The budget is $2,653.66, which gives the cost per meeting per girl 15c.

• YOUR GENEROUS SUPPORT WILL MEAN THE CONTINUATION OF THE OUTSTANDING SERVICE AND BENEFITS given so excellently by the four community organizations.

• Without that support, the community will suffer; the boys and girls will be without some of the fine activities that mean so much to them; the sick children of financially destitute families may be lost.

ONLY ONE DRIVE FOR FOUR ORGANIZATIONS

• When you give in this campaign, you give for the entire year for the community's outstanding service organizations. Give generously—and do it now without waiting for a personal solicitation.

• Just suppose four good friends—or influential business men—called on you separately, at different times in the year, soliciting contributions for each of these agencies . . . how much would you give each?

TRY THIS

• Fill in after each of these four agencies what you would likely give if each asked for a contribution. Total up the four entries.

• Compare this amount with what you give once in this Community Welfare Drive.

• You can afford to give as much once. No more appeals for Community Welfare for one year.

• Let your heart speak to your pocketbook.

EXECUTIVE COUNCIL

Mrs. Warren Wass
Howard Mason
Mrs. Earl Johnson
Mrs. Hal B. Harlow
Harland P. Horak, Sec'y-Treas.
Henry Busch, Campaign Chairman

There are 90 Girl Scouts in Upland with seven different groups meeting every week. There has been such a demand for more activities in Scouting, the Council has offered three hobby clubs for the Scouts and their friends, which will meet each week in order to take care of their needs for children to do during their leisure time.

Hospital Auxiliary To Hear Mrs. Baxter At Silver Tea

Marking the beginning of activities of the Woman's Auxiliary of San Antonio Community hospital, the silver tea, sponsored annually as a benefit for the Auxiliary's work, will be held Monday afternoon, Oct. 19, at the home of Mrs. Edred W. Drew, 209 Princeton street, Ontario, according to plans announced by the president, Mrs. John H. Hooval, of Ontario.

Program scheduled for the occasion will be presented by Mrs. Cleland F. Baxter (Caroline Brownson) of Upland, who has gained wide recognition throughout Southern California as a book reviewer. Mrs. Baxter will discuss "New Fall Books and Plays". Announcement of Mrs. Baxter's appearance on the program will be received with pleasure throughout the West End communities and is expected to assure a large attendance.

Another incentive for attending the tea lies in the purpose for which it is planned, the raising of funds to carry on the Auxiliary's very worthwhile hospital activities.

The guests will be entertained from 3 to 5 o'clock and arrangements being made give promise of the tea being one of the most delightful social events of the autumn.

Co-chairmen of the program committee are Mrs. Donald Keith and Mrs. S. A. Craig, both of Ontario.

Mrs. L. Dudley Phillips of Alta Loma is chairman of the entertainment committee, and she is being assisted by Mrs. F. A. C. Drew and Mrs. W. D. Richardson of Ontario and Mrs. A. A. Aita of Upland.

All women in the communities served by the hospital are cordially invited to attend.

Wesleyan Guild Will Meet Tuesday at Dundas Home

Meeting of the Wesleyan Service Guild of the Methodist church will be held next Tuesday evening at the home of Mrs. Frederic W. Dundas, 415 West Nineteenth street, it is announced by Mrs. C. Ernest Olson, Guild chairman.

The meeting will be opened with a 30c dinner served by the committee, that will include Mrs. Dundas, Miss Jessie Brown and Mrs. Robert Wuest.

For the program, Mrs. David Hall, former missionary in Africa, will tell of her varied experiences. Mrs. Hall and her family were aboard the ill-fated Zamzam when that ship was torpedoed and sunk in the South Atlantic.

Duane Harris Claims LaVerne Bride in Church Wedding

A wedding in which many local friends will be interested occurred in the Presbyterian church in Pomona at 4 o'clock in the evening of Saturday, Oct. 11, when Charles Duane Harris of Upland claimed as his bride Miss Elizabeth Claire (Betty) Sawyer, daughter of Mr. and Mrs. Ray S. Sawyer of 1426 East Foothill boulevard, LaVerne. Mr. Harrie is the son of Mrs. Chas. D Harris, 621 Pine street, Upland.

The church was beautifully decorated for the nuptial occasion, baskets of white gladioli and pink queens wreath being placed against a background of greenery. The arrangement was completed with tall candelabra bearing lighted candles.

Miss Corrine Adams of Pomona served as organist, playing a group of pre-ceremony selections, including the first movement of Beethoven's "Moonlight Sonata", by request of the bride. Miss Adams also played the traditional marches. The vocalist, Miss Lois Butterfield of LaVerne, sang "Through the Years" (Youmans). She was accompanied by Miss Adams.

The single ring ceremony was performed by the Rev. Harland E. Hogue, Scripps college pastor, in the presence of approximately 125 guests.

The bride was attired in a gown of white silk jersey trimmed with beading, and she wore a Queen Victoria headdress and finger-tip veil. Her bouquet was formed of gardenias and bouvardia, and her jewelry, a gift from the bridegroom, was a gold locket. She also wore, as the "something old", a gold ring worn by her maternal great grandmother.

Attending the bride as maid of honor was her sister, Miss Barbara Sue Sawyer of LaVerne, who wore a gown of pink lace and carried a bouquet of pink gladioli and blue delphinium.

The bridesmaids, all of LaVerne, were Miss Mary Lou Crosin, dressed in a gown of blue velvet and white taffeta; Miss Joyce Moore, wearing pink organza, and Miss Lois Butterfield, in a gown of blue net over blue taffeta. Each wore a corsage of pink gladioli.

Serving as best man was the bridegroom's brother, Donald W. Harris of Southgate. The ushers were Richard Goodban, James Livermore and Morris Lusk, all of Upland.

The bride's mother, Mrs. Sawyer, wore a gown of blue and white sheer and a corsage of pink roses. Mrs. Harris, mother of the bridegroom, was attired in a gown of black crepe with blue trimming and she wore a corsage of yellow roses.

Following the wedding, a buffet supper for the immediate families was served at the Sawyer home in LaVerne, with Mrs. Helen Crosin, Mrs. Sylvia Moore and Mrs. Rose Michael presiding at the table.

Mr. and Mrs. Harris left at once for their home at the forestry ranger station at Elizabeth Lake, the bride wearing a navy blue crepe suit dress with matching accessories and a gardenia corsage.

The bride is a graduate of Bonita high school and she had one year in Chaffey junior college. She is a member of the Pomona Presbyterian church and has been active in young people's work there.

Mr. Harris, a graduate of Chaffey high school and junior college, has been active in Boy Scout work in the Old Baldy Council and at one time was commander of the Knights of Dunamis. He is located at present at the Lake Elizabeth ranger station.

Chapter DV To Meet Monday Evening

Mrs. F. W. Jones and Miss Winnie Catherall will be hostesses at the meeting of Chapter DV, P. E. O., to be held Monday evening at 7:30 at the home of Mrs. Jones, 330 West I street, Ontario.

Mrs. G. E. McQuatters, chapter president, will preside, and the program will be a study of the "Great Explorations in Canada".

Upland Woman's Club Hears Talented Trio in Brilliant Program as First Meeting Of Autumn Season Is Held

Featured both by a delightful musical program that even surpassed expectations, and by several announcements concerning war work that reflected a serious note in the club's plans for the year, the first meeting of the Upland Woman's club in the autumn season was held Tuesday in the club house.

Roses were selected as the favored blossoms in the decoration of the auditorium and bowls of roses graced the tables at which the 12:30 luncheon was served.

Mrs. L. E. Moser, president, presiding for the first time, extended a gracious welcome to the members and guests, who numbered 112, and conducted the routine business session.

New members of the club, seated at a specially arranged table, were introduced by Mrs. Marion Maxwell, membership chairman, and were cordially welcomed by Mrs. Moser and the other members of the club.

The musical program of well selected and beautifully executed numbers was presented by the Philharmonic trio, favorite entertainers of the club, who were introduced by Mrs. J. Emery Sargent, program chairman. They are a talented group from the famous Los Angeles Philharmonic orchestra, the personnel being Louis Pressman, violinist; Joseph DiTullio, cellist, and Maxine Fruman, pianist and commentator.

Beautifully gowned in blue satin and velvet, Miss Fruman introduced the numbers and led the musicians through a brilliantly presented program. The sparkling personality and friendliness of the three entertainers were no less pleasing than was their beautiful music.

Opening the program with Arensky's trio, a merry allegro, an adagio and a playful scherzo number, the musicians quickly caught the fancy of their audience.

Other numbers included a cello solo, "Spanish Serenade" (Chamenade) and "Forest Murmurs" (Wagner), played by the pianist; the trio selections, "Gypsy Serenade" (Arbos), "Annie Laurie" and "Hungarian Rondo" (Haydn); a violin number, "Tambourine Chinois" (Fritz Kreisler), and the concluding trio, "Invitation to the Waltz" (Von Weber).

In emphasizing the responsibility the club has assumed in taking charge of the Ontario-Upland USO headquarters for one day each month, Mrs. J. F. Sawyer urged the members to secure the blank forms and to sign up for service as hostesses.

Mrs. Sawyer also spoke of the campaign being conducted by the Red Cross hospital and camp service committee to secure furnishings for day rooms at army camps and she asked for donations by the club women.

Rehearsals by the club chorus will be started immediately, it was announced by Mrs. Maxwell, chorus leader, who urged all members who can sing to join the group at once.

Of special interest was the announcement made by Mrs. Sargent, that as one of the club's services to the community, an opening meeting will be held on Tuesday afternoon, Oct. 27, when the public will be invited to hear Geoffrey Morgan's address on "Aircraft in the Present War". Because of the importance of Mr. Morgan's address, the club women feel that every person who can do so should attend the meeting when he speaks.

The list of new members coming into the club this fall includes:

Mrs. Ora Clark Palmer, Mrs. E. L. Mueller, Mrs. Samuel Elder, Mrs. Jack Dorrity, Mrs. Gilmore Erickson, Mrs. Walter Ills, Mrs. Theodor Schmid, Miss Frances Barr, Mrs. J. H. Pierce, Mrs. Lowell S. Donnell, Mrs. U. S. Standlea, Mrs. Charles Bowser, Mrs. Earl Scritchfield, Mrs. A. F. Richardson, Mrs. Thomas Carter, Mrs. Alex Mendosa, Mrs. Charles Jones, Mrs. Owen Davis, Mrs. Donald McKean, Mrs. Robert Rope, Mrs. Nellie Ryan, Mrs. Grace Paulin and Mrs. Josephine Humeston.

Mrs. Ernest C. Mehl and her October committee were hostesses for the day and were in charge of the luncheon.

* * *

Bridge Club Members Are Entertained By Mrs. Blohm

Mrs. H. O. Blohm was hostess Thursday to members of her bridge club, entertaining her guests at the home of Mrs. Edna M. Brown, 1423 North Euclid avenue.

Luncheon was served at 1 o'clock and during the afternoon a bridge tourney was enjoyed.

Miss Saidee Sawyer was a special guest and the club members attending were Mrs. S. M. Jessup, Mrs. J. F. Sawyer, Mrs. E. O. Bowden, Mrs. H. M. Guy, Mrs. Edna M. Brown, Mrs. Ernest C. Mehl, Mrs W. E. Morse, Mrs. D. J. Burlingame, Mrs. Blanche M. Loch, Mrs. Nora M. Eells, and the hostess, Mrs. Blohm.

Relief Corps Decides To Purchase $100 War Bond

Purchase of a $100 war bond was decided upon by a vote of the members during the regular October meeting of the Woman's Relief Corps held Thursday afternoon in the W.R.C. Memorial hall in Ontario. The corps also voted to give $5 to the Red Cross to be used in filling soldiers' kits.

The meeting was opened at 1:30 by the president, Mrs. J. W. McConkay, and 27 members were in attendance.

During the business session a number of interesting reports and announcements were made.

Red Cross work done in the name of the chapter included the making of a sleeping garment and five pairs of sox, six hours work being reported.

Reports of the Federation No. 2 meeting held in Monrovia were made by those attending, all Federation officers. They included Mrs. A. M. Plasterer, senior vice-president of Federation No. 2; Mrs. R. E. Gilliland, secretary; Mrs. W. A. Martin, color bearer No. 1, and Mrs. Lella Baker, auditor.

Two applications for memberships were received, the applicants being Mrs. Thomas H. Settle and Mrs. Grace Paulson.

The corps charter was draped in memory of Mrs. Mabel Grange and Mrs. Melissa Hagan, two members who had passed away since the previous meeting.

Mrs. Plasterer presented the Federation traveling flag to the corps.

* * *

Birthday Party Given As Surprise for C. E. King

In celebration of C. E. King's birthday anniversary, observed recently, a surprise family dinner party was held at the King home, 375 East Seventh street. All members of the family, including the two sons and daughter and the in-laws and grandchildren, were present and the guests also included several of Mrs. King's relatives.

In the group were Mr. and Mrs. Harold King and son, Gary, of Corona; Mr. and Mrs. Roy Lee King of Pomona, and Mr. and Mrs. Neal Douglass and daughter, Donnealia, of Springfield, Mo. Mrs. King's relatives were her parents, Mr. and Mrs. L. M. Baird, recently from Springfield; her brother and sister-in-law, Mr. and Mrs. Chester Baird and baby daughter, Wanda Lou, and a brother-in-law and sister, Mr. and Mrs. Gratz Lair and family, all of Ontario.

* * *

Carol Gallaugher Is Given Delightful Birthday Party

Little Miss Carol Gallaugher's seventh birthday anniversary was the occasion for a happy celebration held October 10, when a patio party was given at her home 329 East Ninth street.

Carol is the daughter of Mr. and Mrs. Harvey Gallaugher and her mother was the hostess at the party.

Various games were played for a time, affording much amusement for the children. Later Carol was presented a number of nice gifts and a happy time was spent in displaying them.

When Mrs. Gallaugher served refreshments a beautifully decorated and candle-lighted birthday cake was cut and served as a part of the menu.

Carol's guests were Judith Brest, Phyllis Jo Burkholder, Kay Rhenstrom, Betty Fae Francisco, Nat Hawthorne, Richard Mendosa, Ronald Wenger, Loren Sanchez, Elmer Allen, Jr.; Harvey Stone and Roy Gallaugher.

Star Chapter Enjoys Special Program In Lodge Hall

With more than 100 members and guests in attendance, regular meeting of Upland chapter, Order of Eastern Star, was held Monday night in the Masonic lodge hall.

Mrs. John Scott, worthy matron, presided, and following the meeting a program was enjoyed.

Accompanied by their leader, Mrs. Grace Dunsmore of Orange Blossom chapter in Fontana, three members of the Fontana "Gay Nineties Group" entertained with a group of songs popular in the period before the turn of the century. They wore costumes of those merry days and sang the old-time songs in clever imitation of the popular way of singing in that period. The singers were Mrs. McCurdy and Mrs. Dix and they were accompanied by Mrs. McClennan, pianist.

Their program struck a responsive chord in the fancy of their audience and was greatly enjoyed.

Refreshments were served as the closing event of the evening, the autumn theme being utilized in the decoration of the dining hall and the tables.

Mrs. Anna Widmark was hostess for the evening, and Mrs. Blanche M. Loch and Mrs. Isabelle Wisely presided at the coffee urn.

* * *

Worthy Matron Gives Luncheon In Honor Of Co-Workers

Hostesses and committee members who have served with her during the chapter year, were delightfully entertained recently by Mrs. John Scott, worthy matron of Upland chapter, Order of Eastern Star, at her home on Etiwanda avenue, Etiwanda.

The rooms and the tables at which luncheon was served were adorned with dahlias, roses, cosmos and other garden flowers.

At the luncheon tables each guest found beside her plate a dainty handkerchief, placed between paper doilies that were laced together with different colored ribbons.

During the afternoon the group enjoyed playing games, with prizes going to Mrs. Marian Pierce. Mrs. J. V. Parker, Mrs. Sadie Benner, Mrs. Francis S. Wagner and Mrs. Harry C. Kennedy.

Mrs. Scott's guests were Mrs. Blanche M. Loch, Mrs. Flora S. Allen, Mrs. Arthur Relph, Mrs. Isabelle Wisely, Mrs. F. B. Harn, Mrs. Walter W. Horak, Mrs. Henry Harms, Mrs. Sadie Benner, Mrs. Francis S. Wagner, Mrs. Thomas H. Settle, Miss Eunice Mitchell, Mrs. Lloyd A. Fox, Mrs. J. T. Salisbury, Mrs. George P. Von Stein, Mrs. Harry C. Kennedy, Mrs. C. S. Kelley, Mrs. Agnes B. Hawkey, Mrs. J. V. Parker, Mrs. Francis Gilmore, Mrs. Ray C. Norton, Mrs. Marian Pierce and Mrs. Walter Barnes sister-in-law of the hostess.

* * *

Star Auxiliary Meets For Luncheon in Masonic Hall

Beginning their meeting with a contributed dish luncheon, members of La Estrella Auxiliary, Order of Eastern Star, held their monthly session Wednesday in the Masonic lodge hall.

Hostesses in charge were Mrs. T. M. Nichols, Miss Eunice Mitchell and Mrs. Sadie Benner. They used colorful fall flowers in attractively decorating the luncheon tables.

Following the luncheon hour, Mrs. Lloyd Fox, Auxiliary president, conducted a brief business session and the remainder of the afternoon was spent socially as the women tied a comforter for local welfare use.

Men attending the luncheon were Ray C. Norton, T. M. Nichols, Walter J. Kermott, L. A. Fox, J. B. Browning, Walter W. Horak and John Scott. The members present were Mesdames C. E. Allen, J. B. Browning, Senia Christensen, Roy Creighton, D. D. Crew, Mary Eckerman, Lloyd A. Fox, Minnie D. Goodrich, Walter W. Horak, Walter J. Kermott, Blanche M. Loch, W. E. Morse, Ray C. Norton, John Scott, V. H. Wilson, Geo. P. Von Stein, Miss Mina Ruesink and the committee, Mrs. Nichols, Mrs. Benner and Miss Mitchell.

The present often makes up for the past, if the present costs enough.

D. A. R. Board Told Council To Meet Next Tuesday

Meeting in the Red Cross rooms in Hotel Ontario, members of the executive board of San Antonio chapter, Daughters of the American Revolution, held a combined business and work session Thursday afternoon.

Mrs. Charles A. Mayo, chapter regent, conducted a brief routine business session and announcement was made of the coming Southern Council meeting.

The Council will meet on Tuesday, Oct. 20, in the Alexandria hotel, Fifth and Spring, Los Angeles, 10 a.m. Luncheon will be served at 12 o'clock and will be followed by a national defense program to be presented at 2 p.m. The speaker will be Dr. John R. Leshner, who will talk on "Why America Must Win the War."

Reservations are to be made at once with Mrs. William A. Bonta, 1723 LaFayette road, Los Angeles.

Following the board meeting, the women spent some time doing Red Cross sewing and knitting.

In attendance were Mrs. Mayo, Mrs. Marie W. Jesson, Mrs. E. G. Blackert, Mrs. Frank L. Allen, Miss Zephyr Allen, Mrs. Harry I. deBerard, Mrs. Frederick W. Wikoff, Mrs. J. W. Onstott and Mrs. T. J. Henderson.

Past District Deputy Presidents Guests Of Mrs. Manker

Members of the Past District Deputy President's club of Rebekah lodges were the guests of Mrs. F. H. Manker on Thursday afternoon at her home, 603 Second avenue. Routine business was given attention and the remainder of the afternoon was spent visiting.

The members present were Grace M. Hall, Rosa Teters, Laura M. Hemingway, Minnie Lostutter, and Elizabeth Whipp, all of Pomonga; Lena Bingel, of Ontario; Mrs. Everett Liles of Claremont, and Mrs. Hugh Lamphear of Upland. Miss Alberta Schaefer of Ontario assisted the hostess in serving refreshments.

Date Set for Bazaar As Women Meet to Sew for Event

Thursday and Friday, Nov. 5 and 6 were selected as the days for the bazaar being sponsored by the Woman's Auxiliary to the Sons of Union Veterans, during the all-day sewing session held Wednesday at the home of Mrs. Florence E. Stamm, 563 North First avenue.

The bazaar will be held in Ontario, but the exact place has not yet been decided.

The women gathering at Mrs. Stamm's home spent the day sewing for the bazaar, with time out being called at noon for the serving of a contributed dish luncheon.

The next and final sewing day will be held on Oct. 28, when Mrs. Emeline Stauffer will be hostess at her home, 520 North Second avenue.

Attending the meeting Wednesday were Mrs. T. A. Evans, Mrs. Earl F. Riggs, Mrs Trewett, Mrs. Albert Crosslin, Mrs. Joe Tracy, Mrs. John Tracy, Mrs. Caroline Hilberg, Mrs. Carrie Hewes, Mrs. Ida Miner, Mrs. Lulu Van Wye, Mrs. J. W. Seay, Mrs. Arthur Peters, Mrs. Stauffer and Mrs. Stamm.

The girl who used to know what was going on in fashions, now has a daughter who knows what's coming off.

Legion Auxiliary To Sew Monday for Red Cross

Resuming their regular Red Cross work, which had slackened during the summer, members of Upland unit, American Legion Woman's Auxiliary, will hold an all-day sewing session Monday at the sewing room in the Legion club house.

In announcing the meeting this morning Mrs. H. C. Naylor, president, requested all members who can do so to join in the day's work. Each one will bring a sack lunch, which will require less time both to prepare and to serve.

It is planned to make the all-day Red Cross sewing session a regular monthly event.

* * *

Advance Bible Class In Social Session In Church Hall

Members of the Advance Bible class of the Upland Methodist church gathered Thursday in Fellowship hall for their monthly social session.

A contributed dish luncheon was served at the noon hour, the hostesses being Mrs. Charles Perrin, Mrs. John Hook, Mrs. Harvey Longanecker and Mrs. Thomas H. Settle.

A brief business session was conducted by the president, Mrs. A. H. Stull, and the devotional service was led by Mrs. Lester P. Jones.

The remainder of the afternoon was spent socially.

In attendance were Mrs. Stull, Mrs. Henry Harms, Mrs. C. K. Francisco, Mrs. John Swoap, Mrs. Thomas H. Settle, Mrs. Glenn H. Wright, Mrs. W. A. Getty, Mrs. Charles Perrin, Mrs. John Hook, Mrs. W. H. Froelich, Mrs. Harvey Longanecker, Mrs. Charles Dinger, Mrs. Lester P. Jones, Mrs. W. F. Naftel, and the four hostesses.

LOCAL NEWS BRIEFS

This month only, 42-piece service Franciscan Coronado pottery. Special at $17.50.—Rowe Hardware Co.—adv. 46-2

Mrs. Frank Lyons, 828 Fourth avenue, is reported a patient at Green Memorial hospital, having undergone major surgery last night.

Mrs. Winnie Duncan, 625½ Second avenue, is convalescing at Green Memoriral hospital, following a major surgical operation on Wednesday night.

Renee Stanley, 21-months-old daughter of Mr. and Mrs. Stanley Owens of Compton, is being cared for by her grandmother, Mrs. Eva Malaise, of 406 East Seventh street, for several days.

Mrs. Oscar Johnston, Jr., and baby daughter, Betty Lou, of Venice, spent the week with her parents, Mr. and Mrs. Porter McAmis, of 257 South Second avenue.

Mr. and Mrs. P. F. Schwartz, parents of Mrs. J. M. Vance, of 227 East Seventh street, have moved to Upland from Fresno and are located at 362 South Euclid. Mr. Schwartz is employed in the office at the Kaiser plant at Fontana.

Mrs. Emma Sharp of San Francisco and Mrs. Ada Eldridge of Eldridge, are guests this week of Mrs. P. F. Fetrow at her home on East Seventh street. Mr. Fetrow is under treatment in the hospital and Mrs. Fetrow's friends and relatives from Pomona are staying with her during his absence.

Miss Carrie Houghton, who has been seriously ill for the past five weeks, is still in a critical condition and is unable to see any of her friends. Miss Houghton resides with her two sisters, Mrs. Mary A. H. Sampson and Miss Daisy Houghton at Mrs. Sampson's home, 268 North First avenue.

Numerous friends here who knew Archie Olsen when he attended Chaffey junior college, from which he was graduated, will be interested in learning that he is now Sergeant Olsen, stationed at Camp Petree, St. Joseph, Mo. A copy of the Rosecrans Flyer, the bi-weekly publication of Camp Petree, has been received by Sergeant Olsen's uncle, Otto H. Lomen, foreman in The Upland News mechanical department. In the list of the newspaper's staff personnel is the name of Sergeant Olsen, social and athletic editor.

Mrs. Lena Briggs of South Second avenue, who has been ill of undulent fever for the past seven weeks, is now somewhat improved.

Mrs. Pearl Barnett of 286 South Second avenue, is preparing to go to Porterville for a visit with her son-in-law and daughter, Mr. and Mrs. Leonard Finley and family.

Mr. and Mrs. L. D. Adams, former residents of Fontana, have moved to Upland and are making their home at 275 South Second avenue.

Mrs. Van Wyke teaches hooked rag rug making, free, at Chino high adult education school, room 18, each Monday, 9 a.m.—adv. 47-1x

Rene Malaise, son of Mrs. Eva Malaise of East Seventh street, left Thursday morning for St. John, Utah, where he is to take a government position.

John B. Zetmeir of San Bernardino has returned home after visiting with his son and daughter-in-law, Mr. and Mrs. John Zelmeir, Jr., on South Second avenue.

Mrs. Earl E. Dunning, 551 East Eleventh street, is in Huntington Park caring for her mother, Mrs. Bailey, who recently suffered a hip fracture in a fall. There also is an invalid daughter in the home and Mrs. Dunning is caring for both her mother and her sister. Mrs. Dunning expects to be with her mother for some time and her daughters, the Misses Barbara and Roberta Dunning, are with her and have entered the Huntington Park high school. Mr. Dunning and the son are remaining at their home in Upland.

Mr. and Mrs. Otto (Bill) Aber (Esther Guy), who have been with Mrs. Aber's parents, Mr. and Mrs. H. M. Guy, 1388 North Euclid avenue, since arriving on Sunday from Honolulu, will leave tonight from Los Angeles for New York, where they will visit for two weeks with Mr. Aber's relatives. They will be guests in the home of his brother-in-law and sister, Mr. and Mrs. David Marx, and also will be with his parents, Mr. and Mrs. Charles Aber, who are now in New York. A brother, Capt. John Aber, who is stationed in Virginia, probably will join them in New York. The trip is a gift to Mr. and Mrs. Aber from Mr. and Mrs. Marx.

Easter Island was so called because it was discovered on Easter Sunday in 1772.

BIRTHS

Dr. and Brs. C. Aggazotti, Rochester avenue, Cucamonga, are proud parents of a baby son, whose birth occurred at 2:30 p.m. Tuesday, October 13, at San Antonio Community hospital.

Twin daughters were born to Mr. and Mrs. Ralph Pickett, 208 West B street, Ontario, the births occurring at 11:45 p.m. Tuesday, October 13, at Green Memorial hospital. Born prematurely, one of the infants succumbed shortly after 10 a.m. Wednesday.

Mr. and Mrs. DeForest Bennett, 141 Baseline road, San Dimas, welcomed the birth of a daughter at 8:55 a.m. Wednesday, October 14, the baby arrival taking place at Green Memorial hospital.

Arriving at 7:45 p.m. Wednesday, October 14, a son was born to Mr. and Mrs. Fletcher J. Woolen, 288 Fifth street, Chino, at San Antonio Community hospital.

Mr. and Mrs. Charles Murphy, 508 Ocean avenue, Huntington Beach, are the parents of a baby daughter, the wee miss making her debut at 2 p.m. Thursday, October 15, at Green Memoriral hospital.

Mr. and Mrs. Al Cadarette, 454 Beverly Square, Ontario, are proud parents of a baby boy, whose birth occurred at 10:04 p.m. Monday, October 12, at San Antonio Community hospital.

Mr. and Mrs. Howard J. Kilmurray, Twenty-fourth street and Euclid avenue, welcomed the birth of a daughter at 7:10 a.m. Tuesday, October 13, the baby's arrival occurring at San Antonio Community hospital.

Congratulations are in order for Mr. and Mr. William Seely, 729 West Nevada street, Ontario, who became the parents of a son at 5:40 a.m. Tuesday, Oct. 13, the baby's birth occurring at San Antonio Community hospital.

A baby girl was born at 7:40 a.m. Tuesday, October 13, to Mr. and Mrs. Charles Admire, 314 West Ralston street, Ontario, the birth occurring at San Antonio Community hospital.

Mr. and Mrs. Emery Bitner, 752 North Maple avenue, Ontario, are receiving congratulations upon the birth of a son, who arrived at 6:09 a.m. Tuesday, October 13, at Green Memorial hospital.

Mr. and Mrs. Paul R. Johnson, Corona, this morning are proud parents of a son, whose birth occurred at 11:51 p.m., Thursday, October 15, at San Antonio Community hospital.

Mr. and Mrs. Kenneth Pond (Mary Nafius) of West Los Angeles are the parents of a seven pound son, born Thursday at the Santa Monica hospital. The baby has been named Kenneth Edward. Mrs. Frances Nafius of North Third avenue is the maternal grandmother, while the paternal grandmother is Mrs. Lucy Pond of Hollywood, former resident of Upland.

ALTA LOMA PTA IN FIRST SESSION

Drawing an attendance of about 85 parents, with a large number of fathers being present, the regular meeting of the Alta Loma Parent-Teacher association was held Tuesday evening in the school auditorium, this being the first session in the new school year.

First event in the evening's program was the serving of a contributed dish dinner, which provided an informal time for the renewing of acquaintanceships and the greeting of new members.

Mrs. Phillip Schmutz, president of the association, conducted a brief routine business session, with the program following. Mrs. George A. Jackson, program chairman, presented the speaker and the musicians.

Mrs. Iva Reed, supervisor of rural schools in San Bernardino county, gave a particularly interesting address concerning modern school room methods and subjects taught.

Her talk was given as a refutation of claims made in the current state-wide campaign being conducted by many parents and newspapers in an effort to secure a return to the teaching of the "Three R's" as a fundamental educational basis.

Mrs. Reed stated the basic aims of public school education today is to develop the child's ability for self-expression and to train the child to take its place in a democracy. To accomplish this, attention must be given to health, character building and learning, with the child's individuality being given expression in the methods of learning best fitted to each child. Mrs. Reed held the close attention of her audience throughout her address.

DIMOUT MUST BE MADE EFFECTIVE WITHOUT DELAY

Dimout is coming to Upland along with other communities of the Pacific coast specified by the army, and the army means to put teeth into its proclamation and see that it is enforced, Upland city council was informed last night.

City Manager R. G. Manley yesterday afternoon attended a meeting at the Huntington Hotel in Pasadena called by army officials for the purpose of giving city officials specific information concerning requirements of the dimout proclamation, and brought home with him for presentation to the council a uniform dimout ordinance prepared by the army which the army asks all cities to enact.

DEMAND ENFORCEMENT

It was pointed out at the Pasadena meeting that as a result of submarine activity along the coast, cities will have to make the dimout effective at once in order to avoid enforcement by martial law. The army can step in and enforce its measures, but it is presenting the ordinance and it prefers to have local enforcement with violators prosecuted in city courts, in accordance with uniform requirements and fines. As the result of submarine attacks, many bodies are now being washed up on Pacific shores, it was said.

Outlining steps which will have to be taken at once by the city and by citizens to conform with dimout regulations, Mr. Manley said that street lights and lights in homes will have to be properly shaded.

SHADE LIGHTS

Street lights of the electrolier type will have to have globes painted over the top and down the sides to a point below the filament light sources. Overhead suspended lights in all sections of the city will be required to have some sort of shading devices installed around the edges of the present shades.

Homes will be required to draw their shades at night to a point horizontal to the lowest light words, low enough so filaments source in each room, as other of globes in floor lamps and table lamps will not emit beams upward to the outside.

Restrictions prohibiting all outdoor lighting will remain stringently in force.

The army is going to see that the dimout is enforced, and will require every city to report once a month all violations and reports of violations which are turned in.

The uniform ordinance supplied by the army was given a first reading last night by the council. However, the matter was referred to City Attorney Gray, and he was asked to consult with army authorities concerning the necessity of adopting the ordinance in its entirety.

School Cafeteria Lunch Menus

Luncheon menus for Upland school children announced for the coming week by the Elementary school cafeteria include:

MONDAY

Vegetable soup, spaghetti, peas, lettuce salad, apple betty and milk.

TUESDAY

Vegetable soup, meat stew, salad, corn bread, chocolate pudding and milk.

WEDNESDAY

Vegetable soup, chile beans, hamburgers, ice cream and milk.

THURSDAY

Soup, macaroni, buttered carrots, salad, jello and milk.

FRIDAY

Soup, macaroni, buttered carrots, salad, jello and milk.

Resolution of Memoriam to Godfrey Andreas Recorded by City Council

Upland city offices closed this morning from 9:30 to 11 in tribute to State Assemblyman and City Councilman Godfrey A. Andreas, while city employees and officials attended final services for Mr. Andreas, whose passing occurred on Tuesday.

A resolution in memoriam to Mr. Andreas was voted last night by his fellow councilmen, as their first act of business at the regular council session.

Speaking of Mr. Andreas, the resolution said in part:

"For several months his seat in the council chamber has been vacant, because of his protracted illness, and his absence has been keenly felt by his fellow members of the council . . . .

"We deeply regret the death of Mr. Andreas, and that the city no longer will have the benefit of his exceptional energy and activities and of his wide experience in public affairs. Few there were in the City of Upland better known than Mr. Andreas, and his acquaintanceship and friendship extended among those in all walks of life, while his interest in old folks and little children was most marked and will be long remembered."

A copy of the resolution is recorded in the permanent records of the city "as a lasting memento of one of its faithful and diligent officers", and a copy has been transmitted to Mrs. Andreas and members of the family.

SERVICES HELD FOR GODFREY ANDREAS

Final services for Godfrey A. Andreas, state assemblyman and Upland city councilman, who passed away Tuesday morning, were held Thursday evening and this morning, with large numbers of friends and state officials attending.

Rosary service was held last evening at 8 o'clock at Richardson's chapel in Ontario, the Rev. Father James Houlihan of St. George's Catholic church, officiating. Many friends attended this service and there were a great many beautiful flowers.

Funeral service was held at 9:30 this morning in St. George's Catholic church, the officiating priests being the Rev. Father Albert Dontanville and Father Houlihan of St. George's church, and the Rev. Father Mathews, former priest at that church and now of San Bernardino.

PALLBEARERS LISTED

Active pallbearers were T. Kirk Vernon, D. J. Cameron, Roy Fink, L. R. Bradley, O. P. Brady and Carl Hase, the latter of Ontario.

Honorary pallbearers, including several of Mr. Andreas associates in the state legislature, in the Upland city council, in citrus association and San Antonio Water Co. boards, and in business circles, were Ralph Swing, C. E. Grier, chairman San Bernardino county board of supervisors; P. H. McQuillen, Mayor Eugene G. Nisbet, James E. Goodban, Paul Hottel, Richard Ibanez, R. O. Price, John Shepperson, Frank C. Buffington, Harold Stewart, J. S. Armstrong, Joe Beckerly, E. O. Bowden, A. C. Reynolds, R. G. Manley, R. C. Norton, Harlow S. Wilson, Chas. Lyons, Lee Bashore, Elmer Mathews, E. C. Mehl and Don A. Allen.

NOTABLES PRESENT

Men of state prominence attending the service were Ralph Swing of San Bernardino, state senator; Lee Bashore of Glendora, assemblyman of the 49th district, Don A. Allen of Los Angeles, assemblyman of the 63rd district and Nelson S. Dilworth of Hemet, assemblyman of the 76th district.

Interment occurred in Bellevue cemetery with the Elks lodge being in charge of the commitment service.

P.-T. A. Campaign For Members Will Be Continued Week

With expectations of far surpassing the number enrolled last year, the membership campaign being conducted by the Upland Parent-Teacher association will be extended through next week, it is announced by Mrs. Bert Reed, membership chairman.

The campaign, being held with the assistance of the school children, has been a gratifying success so far, with 340 members enrolled. This number lacks only 10 of equaling the 350 membership last year and with the campaign continuing for another week many more are expected to join the association.

Mrs. Reed's membership committee includes Mrs. Robert Goree, Mrs. Herbert Hill, Mrs. Sam Elder, Mrs. Ralph Palmer, Mrs. Byron Trundo, Mrs. Howard Lakey, Mrs. Harold Hemingway, Mrs. S. A. King, Mrs. C. Ernest Olson, Mrs. Harold Naisbitt, Mrs. George Eyer, Mrs. Gordon Nicholson, Mrs. T. George Cunning, Mrs. V. C. Harter, Mrs. Dan Strow, Ms. Henry Meyer and three junior high school teachers, Miss Betty Munson, Ernest Camfield and Robert Marineau.

BALLOT MEASURES TOPIC AT MEETING

(Continued from Page 1)

make "one more unnecessary board."

No. 4—Repeal of state income tax. Mr. Mather will vote "No." It was adopted as a companion measure to the sales tax and he recognizes it as a just tax in a more equitable distribution of the tax load.

No. 5—Provides for increase in pay of legislators from $100 to $200 a month. He will vote "Yes."

No. 6—An act providing for reorganization of state board of forestry. Mr. Mather will vote "No" because it would create a political board and removes civil service from the forestry board.

No. 7—An amendment designed to correct inequalities in state insurance taxes and to stabilize receipts during periods of normal business and depression. The speaker said he favored the measure.

No. 8—Measure to freeze funds of state fish and game commission for use of that commissions. Mr. Mather said he plans to vote "Yes."

No. 9—Act to permit legislature to reduce or increase salaries of state's constitutional officers; they are now "frozen" in constitution. Mr. Mather supports this proposal.

No. 10—Act providing for a new plan in reorganization of building and loan companies. Mr. Mather termed this a "vicious measure and financially unsound."

No. 11—Act to permit 15-round championship boxing matches. New York state permits this limit and doesn't recognize a 12-round bout, as now permitted in California. The Upland authority will vote "Yes."

No. 12—Act authorizing school districts to own stock in mutual water companies. A "Yes" vote will be marked by Mr. Mather.

No. 13—Act adding one new member to state board of equalization and creating new district in Southern California. Mr. Mather will vote "Yes."

No. 14—Measure fixing interest rates on court judgments. Mr. Mather will vote "Yes."

No. 15—Act amending court jurisdiction and procedure. The speaker indicated a "Yes" vote.

No. 16—An amendment broadening powers of administrative bodies and restricting judicial review. A "Yes" will be cast by Mr. Mather.

No. 17—An act making state treasurer trustee of additional state funds. Mr. Mather will vote "Yes."

No. 18—An act creating a new legislative reapportionment commission, composed of elected state officials. A "Yes" vote will be given.

TEACHERS PRESENTED

An interesting feature of the meeting was the presentation of the new teachers by Miss Brown. Those presented were Miss Helen Moehle, kindergarten, Mrs. Rhona Clark, principal of the Eighteenth street school; Mrs. Adeline McElroy, sixth grade, and Miss Peggy Grahame, music instructor.

Mrs. Sam Lamb, secretary, reported that the membership roll now included 340 names, which is only a few short of last year's grand total. Mrs. Bert Reed is membership chairman.

Mrs. Nellis McNeil, finance committee chairman, announced that Francis Line would present his film, "This Is Your America" under the P.-T.A. auspices Oct. 29. She also urged the purchase of season tickets to the Civic Concert series, and specifying that the commission of the tickets go to the P.-T.A. fund. A rag drive was also announced for January.

Robert Marineu, playground director during the summer, submitted an interesting report. A response to the roll call showed the attendance records were won by Miss Ellen Bumstead's room Mrs. Sybil Smith's room at the at the Elementary school and junior high school.

An informal reception followed in the cafeteria of the building with the sixth grade mothers in charge. On the general committee were Mrs. Frank Gingerich, Mrs. John Hall and Mrs. Theodore Combs.

Notice of intention to wed was filed on Thursday morning with Mrs. Fred H. Jacobs, deputy marriage license clerk, by David Elbert Climenhaga, Upland, and Dorcas Mildred Slagenweit, Martinsburg, Pennsylvania.

Mrs. G. W. Thomas of 354 South Second avenue, returned on Tuesday evening after being a guest of her son-in-law and daughter, Mr. and Mrs. Clifford Stager of Los Angeles.

TRUTH ABOUT JAPS WILL BE TOLD BY FORMER PRISONER

The Rev. A. K. Reighton, 33 years a missionary in South China, and who fell into the hands of the Japanese at the siege of Hong Kong, will speak tonight at the Church of the Nazarene on the subject, "The Truth About the Japanese".

Mr. Reighton spent five months in the internment camp on Hong Kong Island, with Mrs. Reighton, the two daughters, Esther and Ruth, and another missionary who was associated with them in the work of Hong Kong Tabernacle. In the same internment camp with the Reightons was Wenzell Brown, whose article, "I Was a Prisoner of the Japs", was published in a nationally known magazine last week. All the Americans from that internment camp arrived in the United States August 25, on the same ship on which Ambassador Grew and his staff came.

Mr. Reighton will give a word picture of the siege of Hong Kong as well as narrate the treatment of American and British prisoners. The Reightons are living in Pasadena, but Mrs. Reighton, who narrowly escaped death by starvation and dissentary, is not sufficiently recovered to accompany her husband. The meeting will begin at 7:30.

Those who want to know the truth about the treatment received by Japanese prisoners should hear the Rev. Mr. Reighton. Some idea of the hardships endured may be gained from the fact that friends who have known him for years failed to recognize him when meeting him for the first time since his return.

Questions from the audience will be answered following the address.

At the Churches

CHURCH OF THE NAZARENE
Ninth St. and Third Ave.
Will South, Pastor

Wednesday, 7:30 p. m. — Mid-week prayer meeting and Bible study.

CONCERT SERIES FEATURES MUSIC

YEHUDI MENUHIN

Many residents of the Upland district are showing interest in the annual Civic Concert series, which will feature four outstanding and nationally known musicians. This is the period for season ticket purchases. Mrs. Earl H. Johnson is in charge of the sales and is at the box office in the Chaffey auditorium during week days.

First artist appearing on the unusual program will be Yehudi Menuhin, whose mastery of the violin has brought to him international attention. As a child prodigy he gained prominence and in each succeeding year he has increased his following of devoted admirers.

Donald Dickson will appear as the second artist on the program. This famous baritone will share the concert with the Chaffey a cappella choir. This concert will be Jan. 19.

On Feb. 9, Jose Iturbi will thrill the audience with his piano selections, and Helen Jepson will bring the series to a close with the soprano singer appearing on March 11.

Several Upland organizations are selling tickets. The Upland Parent-Teacher association is conducting a ticket selling campaign as its major revenue producing project.

Leaders of the committee sponsoring the series are highly gratified over the large number of Beulah college students who have purchased tickets.

BRETHREN IN CHRIST
Third Avenue at F
C. R. Heisey, Pastor

9:30 a. m.—Sunday school.

11:00 — Morning worship — Church Extension Sunday. The Rev. Arthur Climenhaga will give report of Church Extension Work as seen by the summer tent campaign evangelist; message by pastor on "The Beauty of Our God".

Wednesday, 7:30 p. m. — Mid-week hour of meditation with God and His Word.

Number Receiving Relief Aid Drops

The number of people receiving county indigent relief in San Bernardino county dropped six per cent from July to August, going from 1,626 for July to 1,521 for August, California Taxpayers' association stated today, reviewing relief trends in California counties.

The amount expended by the county in direct county indigent relief dropped five per cent, when the two months are compared, the Taxpayers' association found. During July $17,821 was paid out to county indigents, and in August $16,865 was given.

Joke Almost Backfires When FBI Agents Intercept Humorous Wire

Like the proverbial Englishman, the FBI does have a sense of humor, but sometimes it has to have the point explained, and up till then it is very serious business, as is testified by Mrs. William Atchley, who relates an incident demonstrating the alertness of the G-man organization.

Journeying to the northwest by car recently to visit their sister, Mrs. Ed Kimbrell in Seattle, Mrs. Atchley and Mrs. U. S. Standlea paused briefly in Dunsmuir to send a telegram appraising the Seattle lady of their approaching arrival.

FUN, HA, HA!

What could be better, they decided, than a little fun at the same time. So, with the aid of the telegraph operator, they concocted a message which said: "Traveling daylight, making 40 per. Will arrive, you figure it out", and signed it "The Two Musketeers".

So the wire went merrily on its way in the early evening. At 11 p. m. Mrs. Kimbrell was aroused from bed by the insistent ringing of her phone. Answering it, she was informed that the FBI was calling, and greeted the information as a joke, believing it to be someone playing a prank.

CODE, AH, HA!

But she was soon convinced that it was the real McCoy. Then the FBI informed her that they were in possession of a code message to her, and wanted an explanation. However, they first questioned her as to her history and required numerous references.

Finally divulging the contents of the wire to her, she told them that if they knew her sister, the message would be perfectly plain. It meant they were traveling by day at 40 miles per hour and that from that she could figure out when they would arrive.

All very simple. But she still had to give her sisters' addresses and a good identification of them, whereupon even the FBI got the joke and laughed with her when she declared, "After all this, I hope you'll arrest them both and put them in jail when they get here!"

Well, the FBI was satisfied with the explanation, and the local ladies enjoyed a pleasant visit in Seattle, but the G-men proved that they are on the job, and are not passing up any bets.

NEW BOY SCOUT ASSISTANT NAMED

Upland and West End Boy Scout organizations are to have a Scout executive representative again, after several months without any active official in this capacity, it is disclosed by O. A. Alderson, Scout executive for Old Baldy Council, who announces the appointment of Philip F. Ordway, Claremont, to be assistant executive of Old Baldy Council for the West End.

Succeeding Alan Ferguson, San Dimas, who entered the coast guard service several months ago, Mr. Ordway took up his new duties yesterday, and will maintain office headquarters at Ontario chamber of commerce and at Upland chamber of commerce.

The new assistant executive has had a long experience in Scouting, it is said by Mr. Alderson, having formerly been a Scout executive in Bangor, Maine, where he also served as a scoutmaster. Mr. Ordway has been a resident of Claremont for many years, and is no stranger to the territory which he is to serve.

It appears that steel will not be available for construction of tanks for citrus orchard heater oil.

SCOUT MESSENGERS ASSIGNED TO POSTS

Complete organization of Upland Boy Scouts for civilian defense messenger service has been effected by Howard N. Mason, who directs their activity, and at a recent control center meeting boys were assigned to the posts to which they will report for duty in event of any emergency.

Control center messengers include Neil Mason, Charles Settle, Dick DuVall and Don Rogers. Don Rogers also will serve as senior assistant to Mr. Mason in directing messenger activities.

City yard messengers include: Nelvice Alexander, Jack King, Dean Young and Brad Benson.

Warden messengers, one or two being assigned to each air raid warden district, include: Jack Cline, district 1; Don Sachs and LeRoy Barnett, district 2; Delbert Hensley, district 3; Eldon Mathers, district 4; Dick Meredith, district 5; John Anderson, district 6; Richard Clark, district 7; Dale Goodban, district 8; Byron Neeley, district 9; Charles Pooler, Jr., district 10; Kent Kough, district 11; Ted Atwood, district 12; Don Mueller and Jack Phillips, district 13; Ray Whyborn, district 14; Bleecker Wass, district 15, and Bob Brand, district 16.

Red Cross messengers include: Bob Nichols, Kenneth Nissly, LeRoy Barry and Merrill Landis.

Extra messengers who will be on duty at the Boy Scout house include: Ned DuVall, Cecil Neeley, Everett Etter and Bob Brown.

Bacon is a wonderful flavor-adder. Be sure it's cooked crisp, crumble it thoroughly, and add to salads, sauces, soups, gravies, caseroles, to taste, if you can get the bacon.

When pastry flour is called for in a cake recipe and you have none, bread flour may be used instead if two tablespoons of bread flour per cup are used.

DERBY IS HEAD OF AIR RAID WARDENS

Following reorganization of Upland civilian defense air raid warden setup this week, Richard W. Derby now is chief air raid warden, taking the place of Ed Dean, who has headed up the group since organization of the air raid wardens.

In announcing the appointment of Mr. Derby, City Manager R. G. Manley, civilian defense coordinator, praised Mr. Dean's work, and pointed out that the change was dictated because of the great increase in the amount of time and work required of the chief air raid warden.

In view of frequent control and district tests necessary to keep the organization at a high pitch of efficiency, it was felt that a city employee in close touch with the organization should be chosen to give additional time to the work.

With many wardens moving away from time to time, considerable effort is required in order to secure and train new wardens to replace these. Serving as a member of the control center staff, Mr. Derby will cooperate closely with E. Tweed Stone in the training of wardens and in conducting the many tests required to maintain interest, alertness and efficiency.

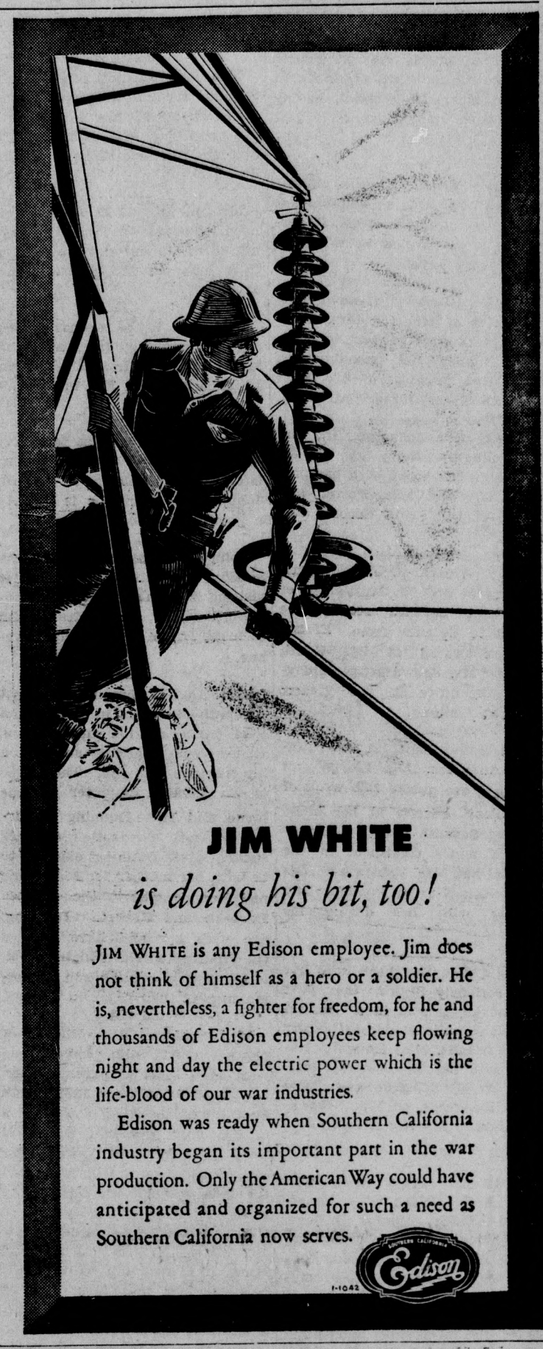

A standard pursuit plane requires 400 pounds of rubber, and a four-engine bomber requires a ton.

Large quantities of beeswax are used by the army and navy for waterproofing materials and shell coating.

Here's another reason why we will keep 'em rolling!

On July 31, 5,137 Southern Pacific men were serving in our country's armed forces; on August 31, 5,836 men; and on September 15, 6,214. That's a lot of men from one organization!

To these men, the ideal of service is nothing new. Railroading has always inspired devotion to duty, and a conductor wears the stars on his sleeve just as proudly as a sailor wears his "hash marks."

We miss these men badly, for we worked side by side with them. We also miss their long training and experience in railroad work—training and experience that just can't be replaced overnight. But we're going to do our best to back these men up, wherever they may be.

We who are left have the job of getting troops, equipment and war materials over the line to the places where they're needed, *when* they're needed. And though the traffic peak in the next few months will be the greatest we have ever faced, we promise our men in the service that we will not let them down.

So if you see an extra glint of determination in an engineer's eye, or a passenger representative on the road night and day accompanying troop trains, or a section hand swinging his pick as if the ballast were full of Japs—you'll know why they have a personal interest in this war, and a personal determination to do their part to keep 'em rolling.

The War Bonds you buy now will help pay for one of those swell new post-war automobiles.

S·P

One $18.75 War Bond will buy four 37mm. shells.

The Friendly Southern Pacific

$97 IN JACK POT!

SAVE YOUR SALES SLIPS

To be eligible to receive all of the jack pot, your total purchases from two or more stores may be for

ONLY $1.00

$5 if person selected has one sales slip.

$10 if person selected has two or more sales slips showing total purchases under $1.00.

All of jack pot if person has two or more stores with total purchases over $1.00.

$1 if person selected has no sales slip.

Saturday Is Dividend Day!

A QUESTION IN EVERY ADV.

You will note that in each space is an easy-to-answer question. To qualify for the Dividend Day award, you must answer the questions listed by the firms from which you have saleslips.

For Example—If you have a sales slip from Blank Co., you must write the answer to the Blank Co. question on the sales slip and have it ready for presentation to the Merchants' Messenger by 6 p. m. Monday.

If you are not going to be home Monday between 6 and 7 p. m., leave your sales slips posted near your front door.

Every adult in Upland, Alta Loma, Cucamonga and Etiwanda is eligible to participate in the Upland Merchants' Dividend Day. A directory has been especially compiled to include every house address in these communities.

The dividend sales do not have to be for cash, a "charged" sales slip being acceptable. In all fairness, however, a sales slip for payment on account cannot be eligible for use on dividend day.

READ THE ADVS. AND WRITE ANSWERS TO THE QUESTIONS LISTED BY THE FIRMS FROM WHICH YOU OBTAIN SALES SLIPS.

Mrs. E. R. Son Is Called Early Today; Service on Monday

Mrs. Edwin R. Son, wife of Dr. Son of Camp Baldy, former resident of Upland, passed away at 9 o'clock this morning, following a long illness.

She was a native of Winchester, Mass., and had lived in the Upland area for 14 years, coming here from Winchester. She and Dr. Son were married in 1939, and had lived at Camp Baldy since that time.

Mrs. Son is survived by her husband and by three brothers and a sister in the east. She was a Presbyterian by faith, but had not affiliated with a church here.

Private funeral service will be held at the Stone chapel at 2 o'clock Monday afternoon and will be followed by cremation.

5c A LINE

SENIORS WIN 13 TO 0 TO DEFEAT JUNIOR ELEVEN

With a 40-yard pass connecting to make possible the first touchdown and with an interception and 50-yard run producing the second tally, the Chaffey senior class football team scored a 13 to 0 win over the junior class eleven yesterday afternoon.

Alonzo, a veteran of last year, flipped the 40-yard pass to Dick Jones in the second quarter, with Jones going 10 yards more to cross the line. Conversion made it 7 to 0.

John Martin, fullback of last year and star Tiger athlete, intercepted a junior class pass in the fourth period and raced halfway down the field to complete the day's scoring.

While the juniors didn't get into the scoring column, the eleven forced the seniors to capitalize on the breaks in order to win.

This spectacular game was the first one on the Chaffey gridiron this season, and marked the beginning of a series of an intensive intra-mural program.

Another hard-fought battle was in progress this afternoon with the Chaffey Panthers pitted against the Chaffey Air Techs. This game opened a little before 2 p. m., with impressive ceremonies preceding the opening kick-off. The Chaffey band made its first appearance of the season and special half-time events were also billed.

HOW IT WAS NAMED

Zero hour, or the hour set for attack in World War I operations, derived its name from its being set down as "0 hour" in advance, with the real time being kept secret as long as possible.

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

In the Superior Court of the State of California, in and for the County of San Bernardino.

In the matter of the Estate of GUST HOLMBERG, ska, GUSTAF HOLMBERG, Deceased.

Notice is hereby given that MAYNARD HOLMBERG, the Executor of the Estate of the above named deceased person, will sell at private sale on or after the 26th day of October, 1942, at 10:00 o'clock a. m. of said day, and subject to confirmation of the above entitled Court, all of the right, title, and interest that the above named Deceased had at the time of his death, and all of the right, title, and interest which the Estate of the same has acquired in and to that certain real property described as follows:

Lot 27 in Block 648 of N. W. Stowell's Subdivision of Blocks 633, 634, 647, 648, 673, 674 ONTARIO COLONY LANDS, IN the City of Upland, County of San Bernardino, State of California, as per plat recorded in Book 5 of Maps, page 18, records of the County of San Bernardino, State of California.

The terms and the conditions of said sale are as follows:

Cash in lawful money of the United States; 10% (Ten Percent) of the Purchase Price to accompany all bids, and the balance thereof to be paid on confirmation of sale by the Court and delivery of Deed. Seller to furnish deed and cost of Title Insurance.

All bids or offers for said property must be in writing and delivered to the Executor at the office of Henry M. Busch, Attorney at Law, 243 E. Ninth Street, Upland, California, or may be filed with the Clerk of said Court at any time after the date hereof, and before the sale is made.

MAYNARD HOLMBERG,
Executor of the Estate of Gust Holmberg, Deceased.

Dated: October 9th, 1942.

HENRY M. BUSCH, Attorney for the Executor, 243 E. Ninth Street, Upland, California.

Observation Post Has An Oil Stove Now, Thank You!

One call for a stove for the Upland airplane observation post was sufficient, it was stated today by Harvey McMasters, chief observer.

A request for a two-burner oil stove to be used for light cooking at the observation post appeared in Tuesday's Upland News and a short time after the paper was issued Mr. McMasters received a response from Mr. and Mrs. F. L. McCrosky, 460 North Sixth avenue.

The McCroskeys generously donated the stove—a two-burner oil stove, just as had been requested—and the post is now nicely equipped for serving hot coffee or maybe a bite of bacon and eggs if the hours seem to grow long.

Several other offers of stoves were made later, Mr. McMasters said.

Call for the stove was placed by Mrs. Nelson A. Gray, member of the Upland Junior Welfare League, which is supplying daytime watchers during four days of the week. She and Mr. McMasters express their appreciation of the interest shown in the welfare of the post observers.

Mrs. Martin Leatherbury (Lois Billsborough) has returned to her home in Kilispell after visiting for several days with her parents, Mr. and Mrs. E. H. Billsborough.

NOTICE OF TERMINATION OF CO-PARTNERSHIP

TO WHOM IT MAY CONCERN: Notice is hereby given that undersigned parties, Peter J. Weiland and Herbert W. Bragg, co-partners, doing business under the firm name and style of WEILAND & CO., a general fertilizer business, with the principal place of business at 475 A Street, Upland, California, have terminated said co-partnership as of the 30th day of September, 1942, and the same has been dissolved, and that from and after said date, said business will be conducted solely and individually by Peter J. Weiland, one of the undersigned.

IN WITNESS WHEREOF the undersigned have hereunto set their hands this 30th day of September, 1942.

(Signed) P. J. WEILAND
(SIGNED) H. W. BRAGG

State of California,
County of San Bernardino, ss:

FERTILIZER ISSUE TO BE INVESTIGATED

(Continued from Page One)

commended that the ordinance be changed to allow a little more moisture, and that use be restricted in business and residential districts, but liberalized in the orchard areas.

Discussion developed the difficulty the trade now faced in drying out garbage with the rainy season coming on. It also was declared that in view of the situation created by labor and transportation difficulties due to war conditions that the present time was not conducive to solving the problem. Forty per cent of growers in the city limits, it was said, now use the garbage fertilizer.

Members of the delegation felt that the ordinance as proposed worked undue discrimination in specifying one type of fertilizer should be less than 10 per cent moisture content and other types might be any percentage.

ORDINANCE BASIS

City Attorney E. E. Gray gave a resume of his investigation which led to the forming of the proposed ordinance, and quoted authorities on whose statements it was based. He declared the shortage of fertilizer might become very serious, supplies being cut as much as 50 per cent.

The 10 per cent moisture content specified in the ordinance, Mr. Gray pointed out, had been suggested by dealers as a reasonable line between wet and dry garbage. He quoted figures supplied by dealers showing that with moisture increase the nitrogen content of the fertilizer was decreased.

ACTION DELAYED

Mayor Nisbet and Councilman Hottel both declared that there was no intent on the part of the council to work any undue hardship on the growers. They expressed the feeling that the matter should be given more consideration.

It was moved by Councilman Hottel and seconded by Councilman Goodban that Mayor Nisbet appoint a committee to meet with growers and interested citizens to work out a reasonable solution. Action on the proposed ordinance was deferred to await further action resulting from this meeting.

The volume of September sales of California summer grapefruit was the largest in history.

NO. 14664
NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

In the Superior Court of the State of California, in and for the County of San Bernardino.

Dated: October 9th, 1942.

MAYNARD HOLMBERG,
Executor of the Estate of Gust Holmberg, Deceased.

HENRY M. BUSCH, Attorney for the Executor, 243 E. Ninth Street, Upland, California. 45-5

ORDINANCE NO. 335

An Ordinance Providing That Certain Depreciation Funds in the Water Department Be Deposited in the Permanent Capital Outlays Funds.

The City Council of the City of Upland does ordain as follows:

Section One. That within the Water Department of the City of Upland there is now a certain fund of $16,000.00 set apart and segregated as Depreciation, and the City Manager is hereby authorized and directed to deposit such fund of $16,000.00 in the Capital Outlays Funds as created and maintained by Ordinance No. 326 of the City of Upland.

Section Two. Provision having heretofore been made for an annual depreciation of the physical assets of the Water Department, the City Manager is hereby authorized and directed prior to the close of each fiscal year to place such annual Depreciation Funds within said Capital Outlays Fund; save as such annual Depreciation Funds may be lessened during any fiscal year by expenditures therefrom for necessary current repairs or additions to the physical properties of the Water Department. Nothing herein contained is intended to prevent expenditures from such annual Depreciation Funds during any fiscal year for necessary betterments, improvements, repairs and the like, prior to deposit in the Capital Outlays Fund.

Section Three. That all funds placed within said Capital Outlays Funds from the Water Department as herein provided for shall remain inviolate and shall not be disbursed therefrom, except for the needs and purposes of the Water Department, and as provided in Ordinance No. 326.

Section Four. The City Clerk shall certify to the passage of this Ordinance and cause the same to be published once in The Upland News.

I HEREBY CERTIFY that the foregoing Ordinance was adopted by the City Council of the City of Upland at a regular meeting held on the 15th day of October, 1942, by the following vote, to-wit:

Ayes: Goodban, Hottel, Ibanez, Nisbet.
Noes: None. Absent: None.

R. C. NORTON,
City Clerk

(SEAL)

Approved October 15, 1942.

E. G. NISBET,
Mayor

47-1

Robert Sawyer Goes Sightseeing During Leaves in Army

Robert Sawyer, who recently was transferred from Fort Leonard Wood, Mo., to Fort Belvoir, Va., was given a several days furlough before he was required to report to the officers training school at Fort Belvoir, and he has written to his mother, Mrs. J. F. Sawyer, about the interesting places he visited during those free days.

Flying from Kansas City to Harrisburg, Pa., in a big U. S. army transport cargo plane afforded one of the thrills he enjoyed. From Harrisburg he went to New York City for two days of sightseeing, during which he followed a well mapped scnedule in seeing many of the famous places in the metropolis.

Mr. Sawyer especially enjoyed a visit to Radio City, where he was welcomed by a number of radio and picture stars, to whom his khaki uniform was better than formal dress.

Mr. Sawyer also told of being a guest of Mr. and Mrs. Frederick W. Northrup in Alexandria, Va., which is near Fort Belvoir. Mrs. Northrup, the former Marian Maurer, is a niece of Mrs. Eva Moore, Mrs. H. O. Blohm and Mrs. J. L. Grahame and is well known in Upland. The Northrups accompanied him to Washington, D. C., for a brief glimpse of the national capital and a dinner party.

Mr. Sawyer and his fellow officer candidates in the engineers corps are training intensively, taking the same background course that is given at West Point, but crowding it into much less time. However, he likes army life as he has seen it so far and he especially likes the Virginia countryside. Fort Belvoir is located on the same field on which George Washington once drilled his engineers corps.

Always remember that a casual stroll across the street often results in a casualty.
